NARRATIVE:

Larry Williams has an extensive criminal history that began at the age of 20. His convictions include robbery with the use of a weapon, attempted robbery, multiple cases of assault with a deadly weapon, grand theft auto, burglary, grand theft, multiple cases of transporting controlled substances, joyriding, trespassing and multiple cases of possession of controlled substances. He has served multiple state prison terms, the longest being a 6 year term for possession of controlled substances. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on May 5, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2020 after he absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transportation of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
