NARRATIVE:

Arturo Chavez is a documented gang member with an extensive adult criminal history that began at the age of 25. His convictions include terrorist threats, multiple cases of felon in possession of a firearm, metal knuckles violation, petty theft, possession of controlled substances for sale, possession of controlled substances, contempt of court and identity theft. He has served multiple state prison terms, the longest being a 2 year term for felon in possession of a firearm. Chavez was released from state prison to the supervision of the Los Angeles County Probation Department on February 21, 2017. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2020 after he absconded from post release community supervision (PRCS). Chavez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
