### **NARRATIVE:**

Aaron Hernandez is a documented gang member that has an extensive adult criminal history that began at the age of 24. His convictions include stalking, multiple cases of domestic violence with injury, manufacturing dangerous weapons, vandalism, violation of restraining orders and DUI. He has served multiple state prison terms, the longest being a 5 year term for domestic violence with injury. Hernandez was released from state prison to the supervision of the Los Angeles County Probation Department on April 4, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2020 after he absconded from post release community supervision (PRCS). Hernandez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for domestic violence with injury is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
