NARRATIVE:

Clifford Moody is a registered sex offender with an extensive adult criminal history that began at the age of 18. His convictions include rape by force/fear by use of weapon and multiple cases of failing to register as a sex offender. He has served multiple state prison terms, the longest being an 18 year term for rape by force/fear by use of weapon. Moody was released from state prison to the supervision of the Los Angeles County Probation Department on August 1, 2017. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2020 after he absconded from post release community supervision (PRCS). Moody qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for failing to register as a sex offender is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
