NARRATIVE:

Jeffrey Pine has an extensive adult criminal history that began at the age of 19. His convictions include willful cruelty to a child, burglary, grand theft, vehicle theft, multiple cases of evading, multiple cases of resisting arrest, false identification to a peace officer, escaping a facility, being under the influence of controlled substances, possession of controlled substances for sale and contempt of court. He has served multiple state prison terms, the longest being a 7 year term for willful cruelty to a child. Pine was released from state prison to the supervision of the Los Angeles County Probation Department on August 7, 2017. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2019 after he absconded from post release community supervision (PRCS). Pine qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft is defined as non-serious and non-violent under the California penal code. His criminal history, gang association and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
