NARRATIVE:

Terry Harris is a registered sex offender with an extensive adult criminal history that began at the age of 19. His convictions include oral copulation of a minor, rape of a minor, weapons violation, burglary of inhabited dwelling, assault, battery, assault with a deadly weapon, petty theft, vandalism, multiple cases of disturbing the peace, resisting arrest, reckless driving, possession of controlled substance and false ID to a peace officer. He has served multiple state prison terms, the longest being a 15 year term for oral copulation of a minor. Harris was released from state prison to the supervision of the Los Angeles County Probation Department on February 12, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2020 after he absconded from post release community supervision (PRCS). Harris qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
