NARRATIVE:

Louis Holt has an extensive adult criminal history that began at the age of 18. His convictions include involuntary manslaughter, felon in possession of a firearm, false imprisonment, unlawful possession of firearm and ammunition, multiple batteries, identity theft, possession of burglary tools, exhibiting a deadly weapon, destruction of evidence, theft, vandalism, resisting arrest, multiple cases of receiving stolen property, possession of controlled substances and DUI. He has served multiple state prison terms, the longest being a 3 year term for involuntary manslaughter. Holt was released from state prison to the supervision of the Los Angeles County Probation Department on July 3rd, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2020 after he absconded from post release community supervision (PRCS). Holt qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
