NARRATIVE:

Nelson Medina is a registered sex offender with an extensive adult criminal history that began at the age of 18. His convictions include second degree murder, rape, failing to register as a sex offender, carrying a concealed weapon, burglary, prisoner in possession of a weapon, transporting controlled substances, multiple cases of possession of narcotics, possession of narcotics for sale, receiving stolen property, disorderly conduct and theft. He has served multiple stae prison terms, the longest being an 11 year term for rape. Medina was released from state prison to the supervision of the Los Angeles County Probation Department on November 9, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2020 after he absconded from post release community supervision (PRCS). Medina qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for sales of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact…
