## **NARRATIVE:**

Marcus Jackson has an extensive adult criminal history that began at the age of 20. His convictions include felon in possession of a firearm, firearm access violation, multiple cases of domestic violence with injury, theft of property, petty theft, false ID to a peace officer, possession of controlled substance, resisting arrest and vandalism. He has served multiple state prison terms, the longest being a 4 year term for domestic violence with injury. Jackson was released from state prison to the supervision of the Los Angeles County Probation Department on January 4, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2020 after he absconded from post release community supervision (PRCS). Jackson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a firearm access violation is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
