NARRATIVE:

Octavio Garcia is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include prohibited ownership of ammo, felon in possession of a firearm, grand theft, possess cocaine for sale, vehicle theft, DUI, transport/sell narcotic controlled substances and possession of controlled substances while armed with firearm. He has served multiple state prison terms, the longest being a 7 year term for grand theft. Garcia was released from state prison to the supervision of the Los Angeles County Probation Department on August 12, 2017. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2020 after he absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances while armed with firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
