## **NARRATIVE:**

Danny Pena has an extensive adult criminal history that began at the age of 21. His convictions include burglary, voluntary manslaughter, assault with a deadly weapon on a peace officer, possession of control substance for sale, possession of marijuana for sale, trespassing and vandalism. He has served multiple state prison terms, the longest being a 7 year term for voluntary manslaughter. Pena was released from state prison to the supervision of the Los Angeles County Probation Department on June 24, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2020 after he absconded from post release community supervision (PRCS). Pena qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
