NARRATIVE:

Angel Fernandez is a sex offender with an extensive adult criminal history that began at the age of 22. His convictions include rape, domestic violence with injury, multiple DUIs, bringing contraband into a jail, contempt of court, multiple cases of petty theft, reckless driving and solicit narcotic sales. He has served multiple state prison terms, the longest being an 8 year term for rape. Fernandez was released from state prison to the supervision of the Los Angeles County Probation Department on June 27, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2021 after he absconded from post release community supervision (PRCS). Fernandez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for bringing contraband into a jail is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
