## **NARRATIVE:**

Sonny Sepulveda is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include felon in possession of a firearm, extortion, vandalism, possess switchblade knife, carry concealed dirk or dagger, false ID to peace officer, vehicle theft, possess controlled substances for sale, grand theft and conspiracy. He has served multiple state prison terms, the longest being a 7 year term for felon in possession of a firearm. Sepulveda was released from state prison to the supervision of the Los Angeles County Probation Department on December 22, 2019. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2021 after he absconded from post release community supervision (PRCS). Sepulveda qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
