

**Los Angeles County Probation  
COVID-19 Weekly Update**

**June 18, 2021**

**Efforts to address the medically fragile population in detention facilities**

The Probation Department currently does not have any youth with compromised immune systems or other medical conditions placing them at higher risk for COVID-19 infection. As of June 17, 2021, Juvenile Court Health Services (JCHS) has identified 20 youth in care with underlying medical conditions which might exacerbate the impact of such infection. There are 16 youth in the juvenile halls and 4 in camp. If infection were to occur JCHS and the Probation Department will be working together on individualized plans to address their care.

**Efforts to further reduce population in adult and juvenile detention facilities while balancing public safety**

The Probation Department's juvenile detention population has declined during the COVID-19 pandemic. On March 2, 2020, the total juvenile detention population was 840.

On June 17, 2021, the total population was 391. The population for the two juvenile halls was 256 and the population for the five camps was 135.

The California Department of Corrections and Rehabilitation (CDCR) continued to schedule early releases from California prisons to the Probation Department AB109 program. As of June 15, 2021, there were 26 early releases. Since April 2020, 3,280 individuals were released early from CDCR.

**Efforts to provide resources to support those released from jails, and juvenile detention facilities to prevent homelessness**

The Probation Department continues to make efforts to reduce the population in juvenile halls by releasing youth to parents, guardians, and suitable placements when appropriate. Youth are not released into the community without a place to live.

The Probation Department continues to partner with CDCR to receive early releases from California prisons to AB109 supervision in the communities. All homeless adult clients are provided with housing referrals. Of the 26 early releases since June 15, 2021, of the 26 early releases from CDCR and 11 of them required referrals for housing.

### **Plans for quarantining and isolating youth in custody**

The Probation Department continues to utilize the plans for quarantine and isolation in accordance with the Public Health Order to reduce the transmission of COVID-19. All isolations and quarantines in detention facilities continue to occur in partnership with JCHS personnel. Upon entry to probation facilities, all youth continue to be tested for COVID-19 and remain apart from the general population and living units under quarantine.

As of June 17, 2021, 233 youth have tested positive for COVID-19. There were 120 youth who tested positive for COVID-19 upon admission and 113 youth who tested positive while in care. The youth in care were from the following facilities: 44 at BJNJH, 15 at CJH, 15 at Camp Joseph Paige (CJP), 14 at Dorothy Kirby Center (DKC), 9 at Camp Glenn Rockey (CGR), 7 at Camp Clifton Afflerbaugh (CBA), and 9 at Campus Vernon Kilpatrick (CVK).

As of June 17, 2021, there were no youth under quarantine in the juvenile halls or camps and one youth in juvenile hall that is in isolation due to a COVID-19 positive test.

### **Increased washing of hands, hygiene, additional cleaning supplies and custodial services**

The Probation Department has continued to utilize the hygiene and cleaning plans outlined in the first weekly update. The Probation Department continues to receive additional supplies to assist with cleaning and enhanced safety measures. The field offices have safety plans in place that evolve to keep pace with local and state health orders.

### **Screening of youth, focus on healthy staffing in the detention facilities**

The Probation Department continues to screen newly detained youth upon their arrival to juvenile hall. They are separated from other youth until negative COVID-19 results are received. Employees continue to be screened prior to their entrance into detention facilities. Youth who have tested positive remain in medical isolation and those youth who potentially have been exposed are quarantined and continue to be monitored by JCHS.

Additional information:

- As of June 17, 2021, there have been 4,597 youth that have tested for COVID-19 since testing was initiated on May 3, 2020.
- 2,688 youth tested positive upon admission to juvenile hall: 1,393 tested from juvenile hall's general population; and 516 tested from the camp population.

### **Information on Probation Employees' COVID-19 status**
