## **NARRATIVE:**

Terry Herod has an extensive adult criminal history. His convictions include petty theft, receiving stolen property, identity theft, failure to register as sex offender, sex offender on school grounds, indecent exposure, disorderly conduct, trespassing, vehicle theft, vandalism, possession of controlled substances, DUI, reckless driving, and burglary. He has served multiple state prison terms, the longest being a 16 month term for failure to register as sex offender. Herod was released from state prison to the supervision of the Los Angeles County Probation Department on March 23, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2021 after he absconded from post release community supervision (PRCS). Herod qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for failure to register as sex offender is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
