NARRATIVE:

Victor Hicks is a documented gang member and has an extensive adult criminal history. His convictions include registered sex offender, rape, oral copulation with minor by force, involuntary manslaughter, failure to register as sex offender, grand theft, burglary, and armed robbery. He has served multiple state prison terms, the longest being a 14 year term for armed robbery. Hicks was released from state prison to the supervision of the Los Angeles County Probation Department on July 5, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2021 after he absconded from post release community supervision (PRCS). Hicks qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for involuntary manslaughter is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
