### **NARRATIVE:**

Edgar Sandoval is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include possession of narcotic controlled substances, false id to peace officer, carry loaded firearm by gang member, battery against peace officer, receiving stolen property, disturbing the peace, possession of controlled substances, identity theft, burglary, vehicle theft, possession of a firearm by felon/addict, and evading a peace officer. He has served multiple state prison terms, the longest being an 8 year term for battery on a peace officer. Sandoval was released from state prison to the supervision of the Los Angeles County Probation Department on May 14, 2021. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2021 after he absconded from post release community supervision (PRCS). Sandoval qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading a peace officer is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
