CELEBRATE "ARTS MONTH" SEE YOUTH DESIGNED MURALS AT CENTRAL JUVENILE HALL

In honor of the Los Angeles Board of Supervisors declaring April as "Arts Month," the Los Angeles County Probation Department invites you to enjoy a few murals designed and painted in collaboration with the youth and Los Angeles artists.

The murals are at Central Juvenile Hall, and the project was an ongoing effort to bring art to justice-involved youth.

Art allows youths to express themselves and assist in connecting with the staff and each other. Some of the artists that worked with the youth include **Norma Montoya, Michael Massenburg, and Heriberto Luna.**
