EAST SAN FERNANDO VALLEY AREA OFFICE COMMUNITY RESOURCE FAIR

On Wednesday, July 27th, LA County Probation hosted an East San Fernando Valley Area Office Community Resource Fair. Over 40 Community-Based Organizations provided free resources & services. Food, clothing, and Covid-19 vaccines & boosters were also provided at the attendee's request.

With the fair outside the ESFV Area Office, a new probation client was reporting for his first visit with his probation officer. The client was facing housing issues. The Probation Officer counseled the young man and accompanied him outside to the resource fair where he was introduced to a service provider who came up with a resolution for his housing issue. Later, the client engaged with an employment service provider and was given a job referral. "I feel great about this today," said the client. "I thank you very much for everything. I appreciate you guys for keeping a positive attitude and the motivation and resources." Thank you, ESFV Area Office!
