DPO'S PARTNER WITH WARRIOR FOR CHILDREN TO PROVIDE SCHOOL SUPPLIES AND ESSENTIALS FOR THE YOUNG

Los Angeles County Deputy Probation Officers Escalante and Dominguez are doing great things and making lives better in Los Angeles County. They reached out to their clients with children and asked if they needed school supplies for this upcoming school year. They then partnered with "Warrior for Children" non-profit and secured school supplies, toys, and clothing for them.

Another client shared with DPO Escalante that she had to walk to the probation office for an appointment, and in route, her stroller broke. As a result, the mother had to carry her infant child for some distance. DPOs Escalante and Dominguez again sprang into action and were immediately able to get a stroller donated. The Deputies personally delivered all the items to their client's homes.

Serving with compassion is a top priority for DPOs Escalante and Dominguez, and because of officers like them, lives are changed, and communities are positively impacted. Thank you, Deputies, for serving beyond the badge.

Warrior For Children is a nonprofit organization whose purpose is to show up big for children who are navigating trauma. We believe each child deserves an opportunity to thrive. Warrior For Children does this by providing tangible resources, trauma-informed education, and small group, trauma-informed, relational experiences.
