LA COUNTY PROBATION AT THE PUBLIC SAFETY PEER SUPPORT CONFERENCE

This week, Los Angeles County Probation staff attended the Public Safety Peer Support Association Conference in San Diego. Thirty-five members of the department's Peer Support volunteer team were present. Employees representing their various unions also attended.

The PSPSA was founded in 2016 to ethically and responsibly develop and implement Peer Support programs and standards, and enhance the training, education and support systems of public safety agencies.

Conference presentations included talks on the *Importance of Empathy and Connection in Correctional Work*, *How To Cope with Long-Term Trauma*, and the *Los Angeles County Fire Department's Peer Support response to the 2021 Sierra Incident*. Thank you to our Peer Support Volunteers for their important service.

PINK PATCH PROJECT 2022 A BIG SUCCESS

The Pink Patch Project 2022 was a great success thanks to the many who purchased t-shirts, masks, and patches emblazoned with the pink LA County Probation shield, according to volunteer coordinator SDPO Nancy Roman.

Pink Patch is a public awareness campaign to help bring attention to the fight against breast cancer and to support research organizations in combating this devastating disease. Proceeds from the LA County Probation Pink Patch sales will go to the City of Hope. Last year the department sent a check for over \$14,000!

Thank you to all who bought and wore their Pink Patch items in support of Breast Cancer Awareness month.
