HAPPY HEALING AND HALLOWEEN!

by DPO II Rafael Ventura III

On Halloween in the hills of Malibu, the TRI Academy – Secure Youth Treatment Program at Campus Kilpatrick held an event to celebrate Healing and Halloween. Many of our young men expressed never dressing up in costume or going trick or treating. The Campus Kilpatrick staff, Public Health and Department of Mental Health, Ed Services and community partners, Healing Dialogue and Action and the Anti-Recidivism Coalition came together as a village to deliver a youth-centered Halloween trick or treat.

Youth decorated the facility and wore costumes. Our partners stationed themselves in different areas throughout the facility as youth went from building to building, sack in tow, to trick or treat themselves some candy.

It was another great collaborative function that brought our village together in support and care that touched the hearts and minds of our young adults.

DOROTHY KIRBY CENTER STAFF HOSTS HARVEST FESTIVAL

On Thursday, October 27th, Dorothy Kirby Center staff hosted a Harvest Festival for the youth. Beautiful Autumn decor adorned the recreation field as festival music filled the air and the youth and staff laughed, danced, played carnival-style games, and enjoyed delicious food.

Chief Deputy Fletcher, local Community Based Organizations, and community volunteers also joined in on the fun, making it an extra special occasion.

Kudos to Dorothy Kirby Center for hosting an amazing Harvest Festival!
