4 COUNTY'S RIGHTS AND RESPONSIBILITIES

4.1 Representations Made Prior to Contract Execution

- 4.1.1 The County is not responsible for representations made by any of its officers or employees prior to the execution of the Contract unless such understanding or representation is included in the Contract.

4.2 Final Contract Award by the Board of Supervisors

- 4.2.1 Notwithstanding a recommendation of a department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a Contract.

4.3 County's Option to Reject Proposals

- 4.3.1 The Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a Contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

4.4 County's Right to Amend Request for Proposals

- 4.4.1 The County has the right to amend the RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.5 Background and Security Investigations

- 4.5.1 Background and security investigations of the Contractor's staff are required as a condition of beginning and continuing work under the resulting Contract. The cost of background checks is the responsibility of the Contractor. The Contractor shall be responsible for the ongoing implementation and monitoring of Subparagraphs

4.5.1.1 through 4.5.1.6. On at least a quarterly basis, the Contractor shall report, in writing, monitoring results to the County, indicating compliance or problem areas. Elements of monitoring report shall receive prior written approval from the County.

4.5.1.1 The Contractor shall submit the names of the Contractor's or subcontractor's employees to the County's Program Manager prior to the employee starting work on this Contract. The County will schedule appointments to conduct background investigation/record checks based on fingerprints of the Contractor's or subcontractor's employees. The County shall have the right to conduct background investigations of the Contractor's or subcontractor's employees at any time. **The Contractor's or the subcontractor's employees shall not begin work on this Contract before receiving written notification of clearance from the County.**

4.5.1.2 No personnel employed by the Contractor or the subcontractor for this service having access to Probation information or records shall have a criminal conviction record or pending criminal trial unless such information has been fully disclosed to the County and employment of the employee for this service is approved in writing by the County.

4.5.1.3 The County reserves the right, in its sole discretion, to preclude the Contractor or the subcontractor from employment or continued employment of any individual performing services under this Contract.

4.5.1.4 No Contractor or subcontractor staff providing services under this Contract shall be on active probation or parole.

4.5.1.5 The Contractor or the subcontractor staff performing services under this Contract shall be under a continuing obligation to disclose any prior or subsequent criminal conviction record or any pending criminal trial to the County.

4.5.1.6 Because the County is charged by the State for checking the criminal records of the Contractor's or the subcontractor's employees, the County will bill the Contractor to recover these expenses. The current amount is forty-nine dollars (\$49.00) per record check, which is subject to change by the State.

4.6 County's Quality Assurance Plan

- 4.6.1 After Contract award, the County or its agent will monitor the Contractor's performance under the Contract on a periodic basis. Such monitoring will include assessing the Contractor's compliance with all terms and conditions in the Contract and performance standards identified in Appendix A (Statement of Work). The Contractor's deficiencies which the County determines are significant or continuing and that may jeopardize performance of the Contract will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

5 PROPOSER'S REQUIREMENTS AND CERTIFICATIONS

5.1 Notice to Proposers Concerning the Public Records Act

- 5.1.1 Responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when 1) Contract negotiations are complete; 2) Probation receives a letter from the recommended Proposer's authorized officer that the negotiated Contract is the firm offer of the recommended Proposer; and 3) Probation releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 (Services Contract Solicitation Protest).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's Proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret," "Confidential," or "Proprietary."

- 5.1.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be

deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective proposal which are "Trade Secrets," "Confidential," or "Proprietary," in nature.

- 5.1.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential," "Trade Secrets," or "Proprietary," the Proposer agrees to defend and indemnify the County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

5.2 Contact with County Personnel

- 5.2.1 All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed, e-mailed or faxed as follows:

Fax#: (562) 658-2307

If it is discovered that the Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

5.3 Mandatory Requirement to Register on County's WebVen

- 5.3.1 Prior to a Contract award, all potential Contractors must register in the County's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:
<http://camisvr.co.la.ca.us/webven/>

5.4 Protest Policy Review Process

- 5.4.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services

Contract, as described in Subparagraph 5.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed Contract award.

- 5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- 5.4.3.1 Review of Solicitation Requirements (reference Paragraph 7.4 Proposal Submission Requirements Section)
- 5.4.3.2 Review of Disqualified Proposal (reference Paragraph 8.3 Selection Process and Evaluation Criteria Section)
- 5.4.3.3 Review of Proposed Contractor Selection (reference Paragraph 8.7 Selection Process and Evaluation Criteria Section)

5.5 Injury and Illness Prevention Program

- 5.5.1 The Contractor shall be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

5.6 Confidentiality and Independent Contractor Status

- 5.6.1 As appropriate, the Contractor shall be required to comply with Paragraph 7.6 (Confidentiality) and Paragraph 8.22 (Independent Contractor Status), contained in Appendix C (Sample Contract).

5.7 Conflict of Interest

- 5.7.1 No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. The Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 5 (Certification of No Conflict of Interest) of Appendix D (Required Forms).

5.8 Determination of Proposer Responsibility

- 5.8.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Proposers.
- 5.8.2 The Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any Contracts, including but not limited to County Contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
- 5.8.3 The County may declare a Proposer to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.
- 5.8.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and

its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

- 5.8.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.
- 5.8.6 These terms shall also apply to proposed subcontractors of the Proposers on County Contracts.

5.9 Proposer Debarment

- 5.9.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing Contracts with the County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.
- 5.9.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 5.9.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor

Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- 5.9.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 5.9.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- 5.9.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where 1) the Proposer has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 5.9.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify,

deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.9.8 These terms shall also apply to proposed subcontractors of the Proposers on County Contracts.

5.9.9 Appendix H (Listing of Contractors Debarred in Los Angeles County) provides a link to the County's website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

5.11 Gratuities

5.11.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. - 5.15.1 The Proposer shall be required to comply with the County's policy on recycled bond paper as specified in Paragraph 8.39 (Recycled Bond Paper) of Appendix C (Sample Contract).

5.16 Jury Service Program

- 5.16.1 The prospective Contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read Appendix G (Jury Service Ordinance) and Paragraph 8.8 (Compliance with the County's Jury Service Program) of Appendix C (Sample Contract), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both the Contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 5.16.2 The Jury Service Program requires the Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deducts from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor

has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

- 5.16.3 There are two (2) ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County Contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to the Contractors that have 1) ten (10) or fewer employees; and, 2) annual gross revenues in the preceding twelve (12) months which, if added to the annual amount of this Contract is less than five hundred thousand dollars (\$500,000), and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to the Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
- 5.16.4 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 10 (Contractor Employee Jury Service Program Certification Form and Application for Exception) of Appendix D (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

5.17 Intentionally Omitted

5.18 Notification to County of Pending Acquisitions/Mergers by Proposing Company

- 5.18.1 The Proposer shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by the Proposer in Exhibits 1 and 1a (Proposer's Organization Questionnaire/Affidavit and CBE Information) of Appendix D (Required Forms). Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. The Proposer shall have a continuing obligation to notify the County and update any changes to its response in Exhibits 1 and 1a (Proposer's Organization Questionnaire/Affidavit and CBE Information) during the solicitation.

5.19 Proposer's Charitable Contributions Compliance

- 5.19.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read Appendix M (Background and Resources: California Charities Regulation). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over two million dollars (2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.
- 5.19.2 All Prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit 19 (Charitable Contributions Certification) in Appendix D (Required Forms). A completed Exhibit 19 (Charitable Contributions Certification) is a required part of any agreement with the County.

5.19.3 In Exhibit 19 (Charitable Contributions Certification), prospective Contractors certify either that:

5.19.3.1 They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

5.19.3.2 They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

5.19.4 Prospective County Contractors that do not complete Exhibit 19 (Charitable Contributions Certification) as part of the solicitation process may, in the County's sole discretion, be disqualified from Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both. (County Code Chapter 2.202)

5.20 Defaulted Property Tax Reduction Program

5.20.1 The prospective Contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read Appendix N (Defaulted Tax Program Ordinance) and the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Tax Reduction Program) of Appendix C (Sample Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both the Contractors and their subcontractors.

The Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Exhibit 20 (Certification of Compliance with the County's Defaulted Property Tax Reduction Program) in Appendix D (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for

termination of a Contract or initiation of debarment proceedings against the non-compliant Contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.21 Time Off for Voting

- 5.21.1 The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

5.22 Proposer's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking

- 5.22.1 On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance policy on human trafficking. The policy prohibits the Contractors engaged in human trafficking from receiving Contract awards or performing services under a County Contract.

The Contractors are required to complete Exhibit 21 (Zero Tolerance Policy on Human Trafficking Certification) in Appendix D (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix C (Sample Contract). Further, the Contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this solicitation.

5.23 Intentionally Omitted

5.24 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

- 5.24.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or

services provided under an agreement/contract with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

- 5.24.2 Upon Contract award or at the request of the A-C and/or the contracting department, the Contractor shall submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.24.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.
- 5.24.4 Upon Contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

5.25 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

On May 29, 2018, the Los Angeles County Board of Supervisors approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code Section 12952.

The Contractors are required to complete Exhibit 23 (Compliance with Fair Chance Employment Hiring Practices Certification) in Appendix D (Required Forms), certifying that they, and their subcontractors, are in full compliance with Section 12952, as indicated in the Sample Contract. Further, the Contractors are required to comply with the requirements under Section 12952 for the term of any Contract awarded pursuant to this solicitation.

5.26 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the

County. A violation of this provision shall result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract.

5.27 COVID-19 Vaccinations of County Contractor Personnel

The Proposers are advised that it must comply with Chapter 2.212 (COVID-19 Vaccinations of County Contractor Personnel) of County Code Title 2 – Administration, Division 4 as a condition of performing work under any awarded Contract resulting from this solicitation. The Proposers are advised to review the requirements of Chapter 2.212 (COVID-19 Vaccinations of County Contractor Personnel) and the sample contract requirements prior to submitting a proposal to this solicitation. A completed Exhibit G (COVID-19 Vaccination Certification of Compliance) of Appendix C (Sample Contract) is a required part of any agreement with the County.

The County relies on this procedure and any Proposer who fails to make timely exceptions as required herein, may be barred, at the County's sole discretion, from later making such exceptions.

The County reserves the right to determine if the Proposers' exceptions are material enough to deem the proposal non-responsive and not subject to further evaluation.

8 SELECTION PROCESS AND EVALUATION CRITERIA

8.1 Selection Process

8.1.1 The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposal on **January 5, 2023, 12:00 p.m., PT.**

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor. All proposals will be evaluated based on the criteria listed below. All proposals will be scored and ranked in numerical sequence from high to low. The County may also, at its option, invite the Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin the Contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if the County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interest of the County.

8.2 Adherence to Minimum Mandatory Requirements (Pass-Fail)

- 8.2.1 The County shall review Exhibits 1 and 1a (Proposer's Organization Questionnaire/Affidavit and CBE Information) in Appendix D (Required Forms) and determine if the Proposer meets the minimum mandatory requirements as outlined in Paragraph 3 (Proposer's Minimum Mandatory Qualifications) of this RFP.

Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

8.3 Disqualification Review

- 8.3.1 A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a

proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 1) The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- 2) The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed, and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

The Proposer can also be disqualified for Paragraph 5.8 (Determination of Proposer Responsibility).

8.4 Business Proposal Evaluation and Criteria - (70%)

8.4.1 Any reviews conducted during the evaluation of the proposal may result in a point reduction.

8.4.2 Proposer's Qualifications - (30%)

Proposer's Background and Experience - (20%)

The Proposer will be evaluated on their experience and capacity as a corporation or other entity to perform the required services based on information provided in Subparagraph 7.9.7.1 (Proposer's Background and Experience (Section B.1)) of the proposal.

Proposer's References/Work History - (10%)

The Proposer will be evaluated on the verification of references provided in Subparagraph 7.9.7.2 (Proposer's References (Section

B.2)) of the proposal. In addition to the references provided, a review will include the Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other Contracts. This review may result in point deductions up to one hundred percent (100%) of the total points awarded in this evaluation category. Additionally, a review of terminated Contracts will be conducted which may result in point deductions.

A review will be conducted to evaluate the Proposer's financial capability as provided in Subparagraph 7.9.7.3 (Proposer's Financial Capability (Section B.3)) of the proposal.

A review will be conducted to determine the significance of any litigation or judgments pending against the Proposer as provided in Subparagraph 7.9.7.4 (Proposer's Pending Litigation and Judgment (Section B.4)) of the proposal.

8.4.3 Proposer's Approach to Providing Required Services - (35%)

The Proposer will be evaluated on its description of the methodology to be used to meet the County's requirements based on information provided in Subparagraph 7.9.8 (Proposer's Approach to Provide Required Services (Section C)) of the proposal.

The Proposer will be evaluated on its ability to establish and maintain a complete Quality Control Plan to ensure the requirements of this Contract are provided as specified. Evaluation of the Quality Control Plan shall cover the proposed monitoring system of all services listed on the Performance Requirements Summary (PRS) based on the information provided in Subparagraph 7.9.9 (Proposer's Quality Control Plan (Section D)) of the proposal.

8.4.5 Exceptions to Terms and Conditions of Sample Contract and/or Requirements of the Statement of Work

The Proposer will be evaluated on their willingness to accept the Terms and Conditions outlined in Appendix C (Sample Contract) and the Requirements of the Statement of Work outlined in Exhibit A (Statement of Work), as stated in Subparagraph 7.9.11 (Terms and Conditions in the Sample Contract, and Requirements of the Statement of Work (SOW): Acceptance of/or Exceptions to (Section E)) of the proposal. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

The Proposers are further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a Contract.

8.4.6 Intentionally Omitted

8.5 Cost Proposal Evaluation Criteria - (30%)

The maximum number of possible points will be awarded to the lowest cost proposal. All other proposals will be compared to the lowest cost and points awarded accordingly.

However, should one or more of the Proposers request and be granted the preference, the cost component points will be determined as follows:

Fifteen percent (15%) of the lowest cost proposed will be calculated, not to exceed \$150,000, and that amount will be deducted from the cost submitted by all Proposers who requested and were granted the preference.

In no case shall any preference be combined to exceed fifteen percent (15%) of the lowest responsible bid meeting specifications.

8.6 Intentionally Omitted

8.7 Department's Proposed Contractor Selection Review

8.7.1 Departmental Debriefing Process

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because the Contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the

requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Subparagraph 8.7.2 Proposed Contractor Selection Review) if the requesting Proposer is not satisfied with the results of the Debriefing.

8.7.2 Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in Subparagraph 8.7.2 (Proposed Contractor Selection Review) may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 1) The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
- 2) The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
 - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b) The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended Contractor.
 - c) A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.

- d) Another basis for review as provided by state or federal law; and
- 3) The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review. (See Paragraph 8.8 (County Independent Review Process) below.)

8.8 County Independent Review Process

- 8.8.1 Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

- 1) The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
- 2) The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in Paragraph 8.7.2 (Proposed Contractor Selection Review) above.

If any service appears to be created in the PRS which is not clearly set forth in the Contract and the SOW, that service will be invalid and place no obligation on the Contractor.
- 12.2 A standard level of performance will be required of the Contractor for the required services.  - 12.3.4 Failure of the Contractor to comply with the County's request(s) to improve performance or to perform work specified within ten (10) business days shall constitute a breach of Contract, and authorize the County to have the service(s) performed by another. The entire

cost of the replacement work due to the Contractor's breach, as solely determined by the County, shall be credited to the County on the Contractor's future invoice.

This subparagraph does not limit the County's exclusive right to terminate the Contract upon ten (10) business days' written notice with or without cause, as provided for in Paragraph 8.42 (Termination for Convenience) of the Contract.

The Contractor shall comply with Exhibit D (Contractor's EEO Certification).

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H (Jury Duty Ordinance) and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

- 8.8.2.1 Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the

Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County Contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

8.8.2.3 If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract

and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

- 8.8.2.4 The Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff or are on a County Re-Employment List

- 8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees

who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-GROW Participants

- 8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job category to the Contractor. The Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN-GROW job candidates.
- 8.11.2 In the event that both laid-off County employees and GAIN-GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.13.1 The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. 8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. The Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of

Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

- 8.16.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.16.2 If the Contractor fails to make timely repairs, the County may make any necessary repairs. All costs incurred by the County, as determined by the County, for such repairs shall be repaid by the Contractor by cash payment upon demand.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of the Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, the Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph, the term

“subcontractor” and “subcontractors” mean subcontractors at any tier.

- 8.20.3 In the event the Contractor's failure to perform arises out of a force majeure event, the Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon the Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

9.5 Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit O, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. "Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE. . .

The importance of small business to the County. . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow. . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

IRS NOTICE 1015

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2020)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Certificate.

Note: You are encouraged to notify each employee whose wages for 2020 are less than \$56,844 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following.

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you

must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2021.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know if They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the Instructions for Forms 1040 and 1040-SR.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2020 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2020 and owes no tax but is eligible for a credit of \$800, he or she must file a 2020 tax return to get the \$800 refund.

APPENDICES J – L

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

Page 1 of 2

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 19).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://oag.ca.gov/> contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://oag.ca.gov/charities/laws>

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.calnonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided under this sub-section of this Appendix N is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.
