MADD HOLDS EVENT AT CITY HALL

The Los Angeles County Probation Department's Driving Under the Influence (DUI) Unit participated in the Tie One For Safety Campaign hosted by the Southern California Office of Mothers Against Drunk Driving (MADD). The event was held at City Hall in Downtown Los Angeles and consisted of local officials, local law enforcement agencies, DUI victims, their families, and members of the community. City Hall was illuminated in red and attendees participated in a candlelight vigil to honor and remember the victims whose lives have been forever changed by a drunk or drugged driver. The families of DPO II Mariesha Collins and Yolanda Bozonier, whose lives were tragically taken by a DUI driver, were also in attendance.
