PROBATION STAFF SPREAD HOLIDAY CHEER

LA County Probation Officers Sponsor LA County Youth on Holiday Shopping Spree

BPOA Holiday Toy Drive

On Dec. 14th, Chief Deputy Bettino, several LA County Probation Officers, and neighboring law enforcement agencies participated in the National Latino Probation Officers Association, San Gabriel Valley chapter "Holiday Heroes event," sponsoring several children and taking them on a holiday shopping spree at Target. Additionally, under the coordination of DPO II Davenport, the Black Probation Officers Association hosted a toy drive with the South Bay Area Office as "Toy Headquarters," and the Re-entry Opportunity Center, Probation Training Center, Transportation Headquarters, Rio Hondo, and Long Beach Area Offices serving as drop-off sites. All the donated toys were given to children residing with their parents in Behavior Health Services Residential Facilities. Thank you to all the staff that donated and assured a magical Holiday for LA County youth.

AB-109 ADOPTS SOUTH LA ELEMENTARY SCHOOL & SPREADS GOOD CHEER

AB-109 Deputies from the South LA Office adopted Estrella Elementary School. They visited every classroom and provided 490 students with sweet bread and toy-filled bags. The DPO's ended their visit with a pizza party for the students and staff. The AB-109 DPOs also spread a little extra holiday cheer and provided seven students whose families fell on hard times with additional gifts including, toys, clothing, coats, shoes, and gift cards. It was a heartfelt occasion in South LA as the AB-109 Deputies gave back, served the community with compassion, and made the Holidays extra special for the students.

ARDI: COUNTYWIDE WORKPLACE CLIMATE EMPLOYEE SURVEY OUT NOW

ARDI is the Los Angeles County Board of Supervisors- approved initiative seeking to end structural racism and its consequences in Los Angeles County by working closely with all County departments, commissions, agencies, and advisory bodies. On December 15th, you received the second ARDI survey in your Inbox. Your feedback will help guide the County in the ARDI training and to help reach its goals. Click [HERE](#) to participate and submit your ARDI survey.
