## SOUTH LA AB-109 UNIT, MOBILE RESOURCE CENTER & K-9 UNIT ATTEND CAREER DAY

On Friday, March 10th, Los Angeles County Probation Department's South LA AB-109 unit, the Mobile Resource Center, and the K-9 unit participated in Estrella Elementary School's Career Day. The DPOs sat and engaged with the young scholars inside their classrooms. They explained their journeys to becoming DPOs, the duties, and qualifications of the job, and answered several questions.

DPOs engaged with the young scholars, explained their duties, and answered questions.

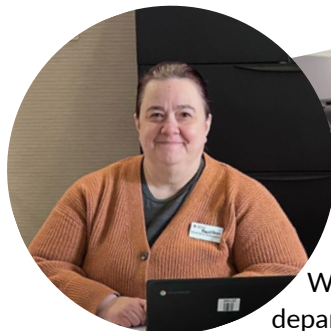

Students took advantage of the opportunity to pet K-9 Penny and observe her conduct a demo search. They were also excited to tour the AB-109 mobile resource van and learn about how Probation Officers bring their mobile offices to clients that don't have transportation. It was a good day in south LA!

Thank you to all the Deputies for caring about the community and always having the heart to give back. Partnerships and collaborations like the Estrella Elementary School Career Day make our communities safer, healthier, and happier!
