## SAN GABRIEL VALLEY AREA OFFICE HOST FIRST JOB AND RESOURCE FAIR

On Friday, March 24th, Los Angeles County Probation's San Gabriel Valley Area Office hosted its first job and resource fair. Among the many exhibitors were Telacu Veterans Services, California Mental Health Connection, representatives from Los Angeles County's Child Support Services, and the Department of Mental Health. Job referrals, job coaching, housing referrals, and health and medical service information were made available to all clients and attendees.

"People were lined up before the event started," said Director Jacob. Resources and services were provided to clients and the community. A complimentary lunch that included hamburgers, hot dogs and cold drinks was provided.

Thank you to the LA County Department of Agricultural Commissioner/Weights and Measures for providing the space for the event.
