PROBATION
DEPARTMENT

LA County Department of Probation: 1/9/25 6PM Update

As of 6:00 PM, there are no evacuation orders for Campus Kilpatrick or Barry J. Nidorf Secure Youth Treatment Facility. Barry J. Nidorf's evacuation warning has been lifted. To ensure the safety of youth and staff, air purifiers, HEPA filters, and N95 masks are in use. We remain prepared to respond promptly and safely should conditions change, and evacuation becomes necessary.

In response to the ongoing state of emergency caused by the wildfires impacting Malibu, Sylmar, and other areas, our Department Operations Center continues to work closely with our facilities, offices, and local and state partners to address the ongoing fire emergency.

We have also issued an order to close all field offices to members of the public tomorrow, January 10th. All full duty sworn field officers have been directed to report to the institutions.

The Los Angeles County Office of Education has also canceled classes for Friday, January 10th.

Chief Viera Rosa's thoughts are with those experiencing loss currently.

For any concerns, please contact the Office of Ombudsman at 877-822-3222 or via email at ombudsman@probation.lacounty.gov."
