1 INTRODUCTION

The Los Angeles County Department of Probation (Probation) is issuing this Request for Proposals (RFP) to solicit proposals for a Contract with an organization who can provide Comprehensive Electronic Monitoring Services (CEMS) on a twenty-four (24) hour continuous basis for Probation's Global Positioning System Monitoring Program (GPSMP), Juvenile Electronic Monitoring Program (JEMP), and Adult Electronic Monitoring Program (Adult EMP).

2 PURPOSE-AGREEMENT FOR COMPREHENSIVE ELECTRONIC MONITORING SERVICES

2.1 Statement of Work

The Contractor shall provide CEMS on a twenty-four (24) hour continuous basis for the County of Los Angeles Probation Department's GPSMP, JEMP, and Adult EMP. The Contractor shall provide all technology, equipment, consumables, systems and related support services, cellular wireless services, accessories, tracking services, data storage, local law enforcement crime scene incident data collection and storage, crime scene correlation mapping analysis and reporting, point pattern analysis, monitoring center support services, training, user manuals, consultation, on-site assistance, and problem analysis not limited to additional support services. The Contractor's administrative business office, monitoring services and data center facilities must be located within the United States.

The Contractor shall be expected to implement the Statement of Work contained in Appendix A (Statement of Work) of this RFP.

2.2 Sample Agreement: County Terms and Conditions

2.2.1 The Contractor shall be expected to implement the requirements outlined in Appendix C (Sample Contract) of this RFP.

2.2.2 Anticipated Contract Term

The resulting Contract term shall be for a five (5) year period, unless terminated or extended in whole or in part, as provided in the Contract. Contingent upon available funding, the Contract may be extended by the Chief Probation Officer and the authorized official of the Contractor, by mutual written agreement, for up to two (2) additional and consecutive thirty (30) month periods for a total maximum Contract term of ten (10) years.

Contingent upon available funding, the term of the Contract may also be extended beyond the stated expiration date on a month-to-month basis, for a period of time not to exceed six (6) months, upon the written request of the Chief Probation Officer and the written concurrence of the Contractor. All terms of the Contract in effect at the time of extending the term shall remain in effect for the duration of the extension.

2.2.3 Contract Rates

The Contractor's rates shall remain firm and fixed for the term of the Contract.

Thereafter, if requested by the Contractor, the contract (hourly, daily, monthly, etc.) amount may, at the sole discretion of the County be increased annually based on the most recently published percentage change in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index for Urban Consumers (CPI-U) for the Los Angeles-Long Beach-Anaheim Area for the twelve (12) month period preceding the contract anniversary date, which will be the effective date for any Cost of Living Adjustment (COLA). However, any increase must not exceed the general salary movement granted to County employees as determined by the Chief Executive Office as of each July 1 for the prior twelve (12) month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Where the County decides to grant a COLA pursuant to this Paragraph for living wage contracts, it may, in its sole discretion exclude the cost of labor (including the cost of wages and benefits paid to employees providing services under this Contract) from the base upon which a COLA is calculated, unless the Contractor can show that their labor cost will actually increase. Further, before any COLA increase will take effect and become part of the contract, it will require a written amendment to the contract first, that has been formally approved and executed by the parties.

2.2.4 Days of Operation

Contractor shall be required to provide Comprehensive Electronic Monitoring Services on a twenty-four (24) hours continuous basis.

2.2.5 Indemnification and Insurance

The Contractor shall be required to comply with the provisions contained in Paragraph 8.23 (Indemnification) of Appendix C

(Sample Contract). The Contractor shall procure, maintain, and provide to the County proof of insurance coverage for all the programs of insurance along with associated amounts specified in Paragraph 8.24 (General Provisions for all Insurance Coverage) and Paragraph 8.25 (Insurance Coverage) of Appendix C (Sample Contract).

2.2.6 Intentionally Omitted

3 PROPOSER'S MINIMUM MANDATORY QUALIFICATIONS

3.1 Interested and qualified Proposers that can demonstrate their ability and qualifications to successfully provide the required services outlined in Appendix A (Statement of Work) are invited to submit a proposal, provided they meet the following mandatory requirements:

3.1.1 The Proposer must submit a proposal by **April 10, 2025, 12:00 p.m., PT.**

3.1.2 The Proposer must demonstrate that the agency has a minimum of three (3) years' experience within the last five (5) years providing services in the area of electronic monitoring, including GPS technology, transdermal alcohol monitoring and breath alcohol monitoring for a population of five hundred (500) or more participants.

3.1.3 The Proposer must have an administrative business office located within the United States of America. The address to the administrative business office must be included in Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) of Appendix D (Required Forms).

3.1.4 If the Proposer's compliance with a County Contract has been reviewed by the Department of the Auditor-Controller within the last 10 years, the Proposer must not have unresolved questioned costs identified by the Auditor-Controller, in an amount over \$100,000.00, that are confirmed to be disallowed costs by the contracting County department, and remain unpaid for six months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the opinion of the County.

4 COUNTY'S RIGHTS AND RESPONSIBILITIES

4.1 Representations Made Prior to Contract Execution

- 4.1.1 The County is not responsible for representations made by any of its officers or employees prior to the execution of the Contract unless such understanding or representation is included in the Contract.

4.2 Final Contract Award by the Board of Supervisors

- 4.2.1 Notwithstanding a recommendation of a Department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a Contract.

4.3 County's Option to Reject Proposals

- 4.3.1 The Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a Contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

4.4 County's Right to Amend Request for Proposals

- 4.4.1 The County has the right to amend the RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be

bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.5 Background and Security Investigations

4.5.1 Background and security investigations of the Contractor's staff are required as a condition of beginning and continuing work under the resulting Contract. The cost of background checks is the responsibility of the Contractor. The Contractor shall be responsible for the ongoing implementation and monitoring of Subparagraphs 4.5.1.1 through 4.5.1.6. On at least a quarterly basis, the Contractor shall report, in writing, monitoring results to the County, indicating compliance or problem areas. Elements of monitoring report shall receive prior written approval from the County.

4.5.1.1 The Contractor shall submit the names of the Contractor's or subcontractor's employees to the County's Program Manager prior to the employee starting work on this Contract. The County will schedule appointments to conduct background investigation/record checks based on fingerprints of the Contractor's or subcontractor's employees. The County shall have the right to conduct background investigations of the Contractor's or subcontractor's employees at any time. **The Contractor's or the subcontractor's employees shall not begin work on this Contract before receiving written notification of clearance from the County.**

4.5.1.2 No personnel employed by the Contractor or the subcontractor for this service having access to Probation information or records shall have a criminal conviction record or pending criminal trial unless such information has been fully disclosed to the County and employment of the employee for this service is approved in writing by the County.

4.5.1.3 The County reserves the right, in its sole discretion, to preclude the Contractor or the subcontractor from employment or continued employment of any individual performing services under this Contract.

4.5.1.4 No Contractor or subcontractor staff providing services under this Contract shall be on active probation or parole.

4.5.1.5 The Contractor or the subcontractor staff performing services under this Contract shall be under a continuing obligation to disclose any prior or subsequent criminal conviction record or any pending criminal trial to the County.

4.5.1.6 Because the County is charged by the State for checking the criminal records of the Contractor's or the subcontractor's employees, the County will bill the Contractor to recover these expenses. The current amount is forty-nine dollars (\$49.00) per record check, which is subject to change by the State.

4.6 County's Quality Assurance Plan

4.6.1 After Contract award, the County or its agent will monitor the Contractor's performance under the Contract on a periodic basis. Such monitoring will include assessing the Contractor's compliance with all terms and conditions in the Contract and performance standards identified in Appendix A (Statement of Work). The Contractor's deficiencies which the County determines are significant or continuing and that may jeopardize performance of the Contract will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

5 PROPOSER'S REQUIREMENTS AND CERTIFICATIONS

5.1 Notice to Proposers Concerning the Public Records Act

5.1.1 Responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when 1) Contract negotiations are complete; 2) Probation receives a letter from the recommended Proposer's authorized officer that the negotiated Contract is the firm offer of the recommended Proposer; and 3) Probation releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 (Services Contract Solicitation Protest).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the

Department's Proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret," "Confidential," or "Proprietary."

- 5.1.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective proposal which are "Trade Secrets," "Confidential," or "Proprietary," in nature.
- 5.1.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential," "Trade Secrets," or "Proprietary," the Proposer agrees to defend and indemnify the County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

5.2 Contact with County Personnel

- 5.2.1 All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed, e-mailed or faxed as follows:

Fax#: (562) 658-2307

If it is discovered that the Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

5.3 Mandatory Requirement to Register on County's WebVen

- 5.3.1 Prior to a Contract award, all potential Contractors must register in the County's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:

<http://camisvr.co.la.ca.us/webven/>

5.4 Protest Policy Review Process

- 5.4.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in Subparagraph 5.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed Contract award.
- 5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- 5.4.3.1 Paragraph 7.4 Solicitation Requirements Review
- 5.4.3.2 Paragraph 8.3 Disqualified Review
- 5.4.3.3 Paragraph 8.7 Department's Proposed Contractor Selection Review

5.5 Injury and Illness Prevention Program

5.5.1 The Contractor shall be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

5.6 Confidentiality and Independent Contractor Status

5.6.1 As appropriate, the Contractor shall be required to comply with Paragraph 7.6 (Confidentiality) and Paragraph 8.22 (Independent Contractor Status), contained in Appendix C (Sample Contract).

5.7 Conflict of Interest

5.7.1 No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. The Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 5 (Certification of No Conflict of Interest) of Appendix D (Required Forms).

5.8 Determination of Proposer Responsibility

5.8.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Proposers.

5.8.2 The Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any Contracts, including but not limited to County Contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

- 5.8.3 The County may declare a Proposer to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.
- 5.8.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.
- 5.8.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.
- 5.8.6 These terms shall also apply to proposed subcontractors of the Proposers on County Contracts.

5.9 Proposer Debarment

- 5.9.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing Contracts with the County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: 1) violated a term of a Contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or

capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

- 5.9.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 5.9.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 5.9.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 5.9.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- 5.9.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where 1) the Proposer has been debarred for a period longer than five (5) years; 2) the debarment

has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

5.9.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.9.8 These terms shall also apply to proposed subcontractors of the Proposers on County Contracts.

5.9.9 Appendix H (Listing of Contractors Debarred in Los Angeles County) provides a link to the County's website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

5.10 Adherence to County's Child Support Compliance Program

5.11 Gratuities

5.11.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication,

A Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract.

5.11.2 Proposer Notification to County

5.16 Jury Service Program

5.16.1 The prospective Contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read Appendix G (Jury Service Ordinance) and Paragraph 8.8 (Compliance with the County's Jury Service Program) of Appendix C (Sample Contract), both of which are incorporated by reference into and made a part of

this RFP. The Jury Service Program applies to both the Contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.16.2 The Jury Service Program requires the Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deducts from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

5.16.3 There are two (2) ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County Contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to the Contractors that have 1) ten (10) or fewer employees; and, 2) annual gross revenues in the preceding twelve (12) months which, if added to the annual amount of this Contract is less than five hundred thousand dollars (\$500,000), and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to the Contractors that possess a collective bargaining agreement that expressly supersedes the

provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

5.16.4 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 10 (Contractor Employee Jury Service Program Certification Form and Application for Exception) of Appendix D (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

5.17 Intentionally Omitted

5.18 Notification to County of Pending Acquisitions/Mergers by Proposing Company

5.18.1 The Proposer shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by the Proposer in Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) of Appendix D (Required Forms). Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. The Proposer shall have a continuing obligation to notify the County and update any changes to its response in Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) of Appendix D (Required Forms) during the solicitation.

5.19 Proposer's Charitable Contributions Compliance

5.19.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable

Purposes Act requirements. Prospective Contractors should carefully read Appendix M (Background and Resources: California Charities Regulation). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over two million dollars (2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.19.2 All Prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit 19 (Charitable Contributions Certification) in Appendix D (Required Forms). A completed Exhibit 19 (Charitable Contributions Certification) of Appendix D (Required Forms) is a required part of any agreement with the County.

5.19.3 In Exhibit 19 (Charitable Contributions Certification) of Appendix D (Required Forms), prospective Contractors certify either that:

5.19.3.1 They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

5.19.3.2 They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

5.19.4 Prospective County Contractors that do not complete Exhibit 19 (Charitable Contributions Certification) of Appendix D (Required Forms) as part of the solicitation process may, in the County's sole discretion, be disqualified from Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both. (County Code Chapter 2.202)

5.20 Defaulted Property Tax Reduction Program

5.20.1 The prospective Contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read Appendix N (Defaulted Property Tax Program Ordinance) and the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Tax Reduction Program) of Appendix C (Sample Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both the Contractors and their subcontractors.

The Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Exhibit 20 (Certification of Compliance with the County's Defaulted Property Tax Reduction Program) in Appendix D (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the non-compliant Contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.21 Time Off for Voting

5.21.1 The Contractor shall notify its employees and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

5.22 Proposer's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking

5.22.1 On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits the Contractors engaged in human trafficking from receiving Contract awards or performing services under a County Contract.

The Contractors are required to complete Exhibit 21 (Zero Tolerance Policy on Human Trafficking Certification) in Appendix D (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix C (Sample Contract). Further, the Contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this solicitation.

5.23 Intentionally Omitted

5.24 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

5.24.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.24.2 Upon Contract award or at the request of the A-C and/or the contracting department, the Contractor shall submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.24.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.

5.24.4 Upon Contract award or at any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the

contracting department(s), shall decide whether to approve exemption requests.

5.25 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

On May 29, 2018, the Los Angeles County Board of Supervisors approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code Section 12952.

The Contractors are required to complete Exhibit 23 (Compliance with Fair Chance Employment Hiring Practices Certification) in Appendix D (Required Forms), certifying that they, and their subcontractors, are in full compliance with Section 12952, as indicated in the Sample Contract. Further, the Contractors are required to comply with the requirements under Section 12952 for the term of any Contract awarded pursuant to this solicitation.

5.26 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract.

5.27 Contribution and Agent Declaration

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$250 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Proposers are advised that they and all of their Subcontractors must complete and return as part of the proposal, the Contribution and Agent Declaration included in Exhibit 24 (Contribution and Agent

Declaration Form) of Appendix D (Required Forms). Proposers are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the pendency of the solicitation if a contribution is made after the initial disclosure when the proposal is submitted, and as requested at any time by the County prior to contract award. Failure by the Proposer or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 24, and failure by the Proposer or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the proposal from further consideration and/or the Proposer may be disqualified from a contract award, as determined in the County's sole discretion. Further, all Proposers and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$250 to a County officer for twelve (12) months after the date a final decision is made in the contract proceeding involving this solicitation.

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor. All proposals will be evaluated based on the criteria listed below. All proposals will be scored and ranked in numerical sequence from high to low. The County may also, at its option, invite the Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin the Contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if the County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interest of the County.

8.2 Adherence to Minimum Mandatory Requirements (Pass-Fail)

- 8.2.1 The County shall review Exhibit 1 (Proposer's Organization Questionnaire/Affidavit) in Appendix D (Required Forms) and determine if the Proposer meets the minimum mandatory requirements as outlined in Paragraph 3 (Proposer's Minimum Mandatory Qualifications) of this RFP.

Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

8.3 Disqualification Review

- 8.3.1 A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
2. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

Proposer's References/ Work History (10%)

The Proposer will be evaluated on the verification of references provided in Subparagraph 7.9.7.2 (Proposer's References (Section B.2)) of the proposal. In addition to the references provided, a review will include the Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other Contracts. This review may result in point deductions up to one hundred percent (100%) of the total points awarded in this evaluation category. Additionally, a review of terminated Contracts will be conducted which may result in point deductions.

A review will be conducted to evaluate the Proposer's financial capability as provided in Subparagraph 7.9.7.3 (Proposer's Financial Capability (Section B.3)) of the proposal.

A review will be conducted to determine the significance of any litigation or judgments pending against the Proposer as provided in Subparagraph 7.9.7.4 (Proposer's Pending Litigation and Judgment (Section B.4)) of the proposal.

8.4.3 Proposer's Approach to Providing Required Services (40%)

The Proposers are further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a Contract.

8.4.6 Intentionally Omitted

8.5 Cost Proposal Evaluation Criteria (20%)

The maximum number of possible points will be awarded to the lowest cost proposal. All other proposals will be compared to the lowest cost and points awarded accordingly.

However, should one or more of the Proposers request and be granted the preference, the cost component points will be determined as follows:

Fifteen percent (15%) of the lowest cost proposed will be calculated, not to exceed \$150,000, and that amount will be deducted from the cost submitted by all Proposers who requested and were granted the preference.

In no case shall any preference be combined to exceed fifteen percent (15%) of the lowest responsible bid meeting specifications.

8.6 Intentionally Omitted

8.7 Department's Proposed Contractor Selection Review

8.7.1 Departmental Debriefing Process

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any

non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because the Contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Subparagraph 8.7.2 Proposed Contractor Selection Review), if the requesting Proposer is not satisfied with the results of the Debriefing.

 - d. Another basis for review as provided by state or federal law; and
3. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review. (See Paragraph 8.8 (County Independent Review Process) below.

8.8 County Independent Review Process

- 8.8.1 Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

INFORMATION SECURITY AND PRIVACY REQUIREMENTS

Page 1 of 5

This Exhibit ____ (Information Security and Privacy Requirements) is an attachment and addition to the Risk Management Information Services Agreement dated ____ (the “**Agreement**”) entered into by and between the County of Los Angeles (“**County**”) and ____ (“**Contractor**”) and is incorporated into the Agreement by reference hereof. This Exhibit ____ (Information Security and Privacy Requirements) sets forth information security procedures to be established by Contractor before the effective date of the Agreement and maintained throughout the term of the Agreement. These procedures are in addition to the requirements of the Agreement between the Parties. They present a minimum standard only. It is Contractor’s sole obligation to: (i) implement appropriate administrative, physical and technical measures to secure its systems and data to protect and ensure the privacy, confidentiality, integrity and availability of County Data as defined in Section ____ the Agreement (consisting of but not limited to County Confidential Information, Personally Identifiable Information, and Protected Health Information) against internal and external threats, vulnerabilities and risks; and (ii) continuously review and revise those measures to address ongoing threats, vulnerabilities and risks. Failure to comply with the minimum standards set forth in this Exhibit ____ (Information Security and Privacy Requirements) will constitute a material, non-curable breach of the Agreement by Contractor, entitling County, in addition to and cumulative of all other remedies available to it at law, in equity, or under the Agreement, to immediately terminate the Agreement.

1. **Security Policy.** Contractor shall establish and maintain a formal, documented, mandated, company-wide information security program, including security policies, standards and procedures (collectively “**Information Security Policy**”). The Information Security Policy will be communicated to all Contractor personnel, agents and subcontractors in a relevant, accessible, and understandable form and will be regularly reviewed and evaluated to ensure its operational effectiveness, compliance with all applicable laws and regulations, and to address new threats and risks.
2. **Personnel and Contractor Protections.** Contractor shall screen and conduct background checks on all Contractor personnel exposed to County Confidential Information as defined in Section ____ of the Agreement and require all employees and contractors to sign an appropriate written confidentiality/non-disclosure agreement. All agreements with third-parties involving access to Contractor’s systems and data, including all outsourcing arrangements and maintenance and support agreements (including facilities maintenance), shall specifically address security risks, controls, and procedures for information systems. Contractor shall supply each of its Contractor personnel with appropriate, ongoing training regarding information security procedures, risks, vulnerabilities and threats. Contractor shall have an established set of procedures to ensure Contractor personnel promptly report actual and/or suspected breaches of security.
3. **Removable Media.** Except in the context of Contractor’s routine back-ups or as otherwise specifically authorized by County in writing, Contractor shall institute strict administrative, physical and logical security controls to prevent transfer of County information to any form of Removable Media. For purposes of this Exhibit ____ (Information Security and Privacy Requirements), “**Removable Media**” means portable or removable hard disks, floppy disks, USB memory drives, zip disks, optical disks, CDs, DVDs, digital film, digital cameras, memory cards (e.g., Secure Digital (SD), Memory Sticks (MS), CompactFlash (CF), Smart Media (SM), Multimedia Card (MMC), and xD-Picture Card (xD)), magnetic tape, and all other removable data storage media.

4. **Storage, Transmission, and Destruction of Personally Identifiable Information and Protected Health Information.** All Personally Identifiable Information and Protected Health Information shall be rendered unusable, unreadable, or indecipherable to unauthorized individuals in accordance with HIPAA, as amended and supplemented by the HITECH Act and the California Civil Code section 1798 et seq. Without limiting the generality of the foregoing, Contractor shall encrypt (i.e., National Institute of Standards and Technology (NIST) Special Publication (SP) 800-111 Guide to Storage Encryption Technologies for End User Devices¹) all Personally Identifiable Information and electronic Protected Health Information (stored and during transmission) in accordance with HIPAA and the HITECH Act, as implemented by the U.S. Department of Health and Human Services. If Personally Identifiable Information and Protected Health Information is no longer required to be retained by Contractor under the Agreement and applicable law, Contractor shall destroy such Personally Identifiable Information and Protected Health Information by: (a) shredding or otherwise destroying paper, film, or other hard copy media so that the Personally Identifiable Information and Protected Health Information cannot be read or otherwise cannot be reconstructed; and (b) clearing, purging, or destroying electronic media containing Personally Identifiable Information and Protected Health Information consistent with National Institute of Standards and Technology (NIST) Special Publication (SP) 800-88, Guidelines for Media Sanitization² and US Department of Defense (DOD) 5220.22-M data sanitization and clearing directive³ such that the Personally Identifiable Information and Protected Health Information cannot be retrieved.
5. **Data Control, Media Disposal and Servicing.** Subject to and without limiting the requirements under Section 4 (Storage, Transmission and Destruction of Personally Identifiable Information and Protected Health Information), County Data (i) may only be made available and accessible to those parties explicitly authorized under the Agreement or otherwise expressly Approved by County in writing; (ii) if transferred across the Internet, any wireless network (e.g., cellular, 802.11x, or similar technology), or other public or shared networks, must be protected using industry standard encryption technology in accordance with the NIST SP 800-52 Guidelines for the Selection and use of Transport Layer Security Implementations⁴; and (iii) if transferred using Removable Media (as defined above) must be sent via a bonded courier or protected using industry standard encryption technology in accordance with NIST SP 800-111 Guide to Storage Encryption Technologies for End User Devices⁵. The foregoing requirements shall apply to back-up data stored by Contractor at off-site facilities. In the event any hardware, storage media, or Removable Media must be disposed of or sent off-site for servicing, Contractor shall ensure all County Confidential Information, including Personally Identifiable Information and Protected Health Information, has been cleared, purged, or scrubbed from such hardware and/or media using industry best practices in accordance with NIST SP 800-88, Guidelines for Media Sanitization⁶).

 - d. All systems will be monitored to detect deviation from access control policies and identify suspicious activity. Contractor shall record, review and act upon all events in accordance with incident response policies set forth below.
10. **Security Incident.** A "Security Incident" shall have the meaning given to such term in 45 C.F.R. § 164.304.
 - a. Contractor will promptly notify (but in no event more than twenty-four (24) hours after the detection of a Security Incident) the designated County security contact by telephone and subsequently via written letter of any potential or actual security attacks or Security Incidents.
 - b. The notice shall include the approximate date and time of the occurrence and a summary of the relevant facts, including a description of measures being taken to address the occurrence. A Security Incident includes instances in which internal

personnel access systems in excess of their user rights or use the systems inappropriately.

- c. Contractor will provide a monthly report of all Security Incidents noting the actions taken. This will be provided via a written letter to the County security representative on or before the first (1st) week of each calendar month. County or its third-party designee may, but is not obligated, perform audits and security tests of Contractor's environment that may include, but are not limited to, interviews of relevant personnel, review of policies, procedures and guidelines, and other documentation, or technical inspection of systems, as they relate to the receipt, maintenance, use, retention, and authorized destruction of County Data.

INTRODUCTION

Contractor(s) providing electronic monitoring services for Los Angeles County on a daily twenty-four (24) hour continuous basis shall comply with the Los Angeles County Probation Department's Electronic Monitoring Program's Operational Procedures Manual (OPM).

The purpose of the standards and procedures presented in this manual, along with the Probation Department's screening process of referred participants and its auditing component, is to provide the highest level of service to the courts and maintain a high regard for community protection.

This manual will explain standards and procedures for the processing and the monitoring of program participants and the maintenance of documentation in case files.

There shall be no deviation from the standards and/or procedures contained in this manual without the prior written approval of the Electronic Monitoring Program's Steering Committee, which will be chaired by the Probation Department's Project Director.

The County will evaluate the contractor(s) contract performance using various quality assurance measurements. Compliance with the OPM's standards and procedures will be one of those measurements.

PRETRIAL SERVICES CASE PROCESSING

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

REFERRAL AND ASSESSMENT PROCESS

REFERRAL PROCESS

Participants are referred to Pretrial Services (PTS) to be evaluated for participation in the Electronic Monitoring (EM) Program by agencies or persons within the justice community.

PTS is responsible for evaluating participants to determine eligibility/suitability for program participation. This evaluation process will include:

- Interviewing defendant
- Accessing, interpreting and evaluating criminal history information
- Completing risk assessment scale
- Verifying the address, telephone and other information provided by the defendant
- Determination of eligibility/suitability for program participation
- Reporting defendant's eligibility/suitability for program participation to the Court, Deputy Probation Officer (DPO), Sheriff's Department, and to the Contractor

APPLICATION TYPES

There are three (3) types of EM Program referrals. The following is a list of codes used by PTS to identify each application type:

- ES Electronic Monitoring; referred by Sheriff (i.e., County Jail - CJ cases)
- EC Electronic Monitoring; referred by court post-sentence
- ET Electronic Monitoring; referred by court pre-sentence

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

RISK ASSESSMENT

Once the evaluation has been completed, a risk level is assigned based on the point outcome of the EM Risk Assessment Scale:

0 - 13 Standard Monitoring

14 - 22 Enhanced Monitoring

CONTRACTOR NOTIFICATION

An Assessment is completed by PTS on all participants referred to EM and suitable Assessments are faxed or emailed to the Contractor. This Notification provides the following information:

- EM application number
- Court case number or booking number
- Offense(s)
- Defendant's name, address and telephone number, if applicable
- Assessment findings
- Risk assessment level (criminal offenders only)
- Probation status (includes "X" number, DPO, Probation Area Office and telephone number)
- Driver's license status (valid, suspended, revoked, restricted, or none)
- Primary language

PROGRAM MARKETING/AWARENESS

Marketing the EM Program is the responsibility of the contractors. The Probation Department will support the EM Program by educating relevant County agencies about the program's policies and procedures.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

COURT REFERRALS

Prior to sentencing where the defendant has been convicted, pled guilty or found in violation of probation, the Court refers the defendant to be evaluated by PTS for suitability for the EMProgram.

The Court completes the Court Referral Form and faxes or emails it to EM staff at (213) 633-4684 or contacts PTS staff by telephone at (213) 893-5369 and provides the information listed on the Court Referral Form. The Court then instructs the defendant to contact PTS staff at (213) 893-5369 by the end of the next business day to complete an application. Instead of providing verbal instructions, the Court has the option to give the defendant a copy of the "EM Instructions to Defendant" form.

Participants with multiple cases referred by the court must have a separate EM APPLICATION NUMBER assigned to each court case number.

Criteria for referral

- Post- conviction misdemeanors and felonies
- Pre-sentenced misdemeanors and felonies
- Civil Contempt cases

Contractor Notification

PTS staff will fax or email the completed suitable Assessment to the Contractor. The Contractor will contact PTS regarding any enrollments or scheduled enrollments that do not have a completed suitable Assessments.

COUNTY JAIL REFERRALS

The Sheriff's Department's Community Based Alternatives to Custody (CBAC) personnel refer county jail inmates to be evaluated by PTS for determination of suitability for electronic monitoring release. CBAC Sheriff personnel have two (2) methods of referral to EM. The first method is by providing, each morning, an automated fully sentenced inmate list identified as potential candidates for EM consideration. The second method is by providing individual cases, such as special classified inmates, for EM evaluation. Beginning October 12th, 2004, LASD identified fully sentenced inmates with PC273.5 and PC243(e)1 convictions as a population potentially acceptable for EM. With concurrence between LASD Administration, and Probation Department Administration, PTS staff began screening fully sentenced PC273.5 and PC243(e)1 inmates for EM.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

Only suitable assessed inmates by PTS will be released on electronic monitoring. All inmates assessed and determined to be ineligible or unsuitable will remain in custody. Sheriff personnel retain final release authority and may disqualify a suitable EM candidate if deemed necessary. The case turnaround time for completing County jail referrals is approximately forty-eight (48) hours. In some instances, cases may require additional time with clearance from the County Program Manager or designee.

Criteria for referral

- County jail inmates fully sentenced to county jail time on misdemeanor or felony cases
- Inmates cannot be in custody on any excluded conviction charges
- Inmates can have no pending felony cases
- Inmates can have no outstanding warrants
- Inmates can have no custody holds
- Inmates can have no rehabilitation orders
- Inmates can have no disqualified custody special handling restrictions

Contractor Notification

PTS staff will provide a copy of the completed suitable Assessment to the Contractor and Sheriff CBAC personnel. This will be done daily without exception. As inmates are approved, the names are given to the Contractor staff assigned to the jail location periodically throughout the day.

All suitable Assessments are faxed or emailed to the Contractor's enrollment center on a daily basis. There will be required communication from PTS staff and the Contractor's enrollment staff to verify proper notification on all suitable EM candidates.

CIVIL REFERRALS

On occasion, Superior Court will refer Family Law matters (civil contempt) to the EM Program. In most cases, the bench officers do not want an assessment. Referrals should be made from the court to PTS and will be handled in the same manner as criminal cases, except that there will be no criminal record check. In the event a Contractor should receive a referral directly from the court on a civil case, Contractor shall instruct the defendant to call PTS first. PTS will complete a partial application and will check the

PART II

CONTRACTOR CASE PROCESSING

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

ENROLLMENT DATE REQUIREMENTS

Court Component

The court will complete a Court Ordered Monitoring Conditions form indicating, among other things, the date by which a participant must be enrolled. Contractor must make every effort to enroll a participant by the date ordered. If this is not possible because, for example, the participant waited until the last day to be enrolled before contacting the Contractor, the Contractor will call the court, explain the circumstances, and ask for an extension.

County Jail Component

Inmates approved for participation by PTS are processed for release from custody into EM with the assistance of Sheriff and Contractor personnel assigned to work at the jail location. Inmates released for EM participation must be enrolled the same day they are released from jail. *County jail inmates released to EM retain custody status until their sentence expires.*

- A. Contractor personnel assigned to the jail will explain the program rules and regulations (Appendix F) to the inmate. EM installation instructions and the consequences of non-compliance are explained to the inmate. If the inmate agrees to abide by the program guidelines, he will sign a consent form; which becomes a part of the inmate's custody jacket and participant case file.
- B. Sheriff's Deputies will process the EM release, which includes a custody record and commitment document check. The inmate will be instructed to go directly home and report to a designated branch office for orientation the following day.

PARTICIPANT ENROLLMENT

The Contractor will instruct the court ordered participant to bring in a copy of the Court Ordered Monitoring Conditions form, signed by the judge or court clerk. All participants will be instructed to provide picture identification, verification of employment, and a recent telephone bill verifying the telephone number and address of record. The enrollment process consists of program orientation, equipment installation and receipt of a "good hook-up" message. Note: County Jail participants will have GPS attached before release from custody; court participants not in-custody will have GPS attached by Contractor staff at enrollment appointment. Contractor staff will provide all participants with installation instructions.

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

PARTICIPANT ORIENTATION

1. INTERVIEW

During the initial enrollment interview the case manager will establish a case file (as described in paragraph 2 below); familiarize the participant with program requirements; set curfew schedule; explain, in detail, the participant's responsibility to provide documentation to verify all time away from the residence. The orientation component of the enrollment process must include the following steps:

- a. Photocopy participant's picture ID and telephone bill for case file. Utility bills, bank statements, and other forms of address verification are also acceptable forms in lieu of a telephone bill.
- b. Provide written rules and regulations to participant, explain each point, including grievance procedures and have participant initial each page, section and sign the last page acknowledging that he/she has read, understood and received a copy of the program guidelines and agrees to comply.
- c. Schedule next office meeting according to risk level assessed by PTS:
 - STANDARD MONITORING - a minimum of once every two (2) weeks. "Standard" participants who fail to comply with curfew schedules or other program guidelines will be changed to weekly meetings until such time as compliance improves substantially.
 - ENHANCED MONITORING - a minimum of once every week for the first thirty (30) days of program participation; thereafter, "enhanced" participants who comply with all program guidelines may be seen once every 2 weeks.

Note: Participants sentenced on excluded charges will always be monitored at the ENHANCED level.

SETTING UP CASE FILE

Case files are established to provide a documented record of all EM participant activity. Participant case files are official Probation Department records and the information contained therein is confidential. The information contained in a case file is occasionally called into evidence at a court hearing. Should this occur, case

SETTING CURFEW SCHEDULE

Set curfew schedule based on the activities allowed by either the court or the Sheriff's Department and by information provided by the participant on the orientation forms. Under no circumstances shall a participant be allowed more time away from his or her residence than is needed to complete these authorized activities.

Court Component - The Court Ordered Monitoring Conditions form lists all activities ordered or allowed by the court. The Court must approve any requests for additional activities. If Contractor does not have a copy of the Court Ordered Monitoring Conditions during the initial interview, call the court immediately to request a faxed or a digital-copy. The participant is to be on a "closed schedule" status that does not allow any activities until the Contractor can verify the court's order regarding permitted activities.

County Jail Component - The Sheriff's Department generally allows a participant to work or seek employment. Activities generally allowed may include court appointments, doctor/dental appointments, DMV, Social Services, Probation/Parole meetings, Narcotics Anonymous (NA) or Alcoholics Anonymous (AA) meetings. Other activities allowed under certain circumstances are shopping/laundry (when participant lives alone) and haircuts (if necessary for employment). All other activities must be verbally approved by a Sheriff Deputy assigned to the EM Program.

Work Hours - Conventional Employment

It is expected that all participants will be allowed to work. Participant must provide his or her regular work schedule and the approximate travel time. Case manager will enter this information on the original scheduling form; which will be maintained in the participant's case file. Any changes to the permanent work schedule must be submitted at least twenty-four (24) hours in advance must be noted in the case file.

- a. Set permanent curfew schedule to include work hours and travel time each way.
- b. Change schedule, as needed, for prior approved overtime, scheduled medical appointments, etc., noting reason for change in participant's case file. Instruct participant to provide appropriate documentation of the activity at the next office meeting.
- c. Maintain copy of participant's original schedule and any subsequent schedule changes in case file.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

Work Hours – Unconventional Employment

Many participants are either self-employed or do not report to a specific job every day. Setting curfew schedules for these cases must be handled on an individual basis according to the participant's type of employment. Participant is expected to provide case manager with a work schedule and be able to verify his/her activities.

Participant's work curfew schedule is not to be so broad as to allow the participant to come and go for 8, 10 or 12 hours throughout the day with no way to verify employment, unless the court is aware of the situation and authorizes participant to work with minimal or no verification. It is sometimes best, when a participant is self-employed, does "odd jobs" or "day work", to "close" his/her schedule (no time away from home) until he/she reports a specific day and time period which employment is scheduled.

Unemployed - Court authorizes job search

Participants will not generally be allowed an arbitrary eight (8) to twelve (12) hours, five (5) to seven (7) days per week to be away from their residence to seek employment.

- a. Set a maximum three (3) to four (4) hours per day, two (2) or three (3) days per week to allow participant to look for employment.
- b. Instruct participant, whenever possible, to provide a written list of prospective employers he/she plans to see, including the addresses. Participant is to provide a means of verifying his or her job search activities. Verification may include, but not be limited to, a duplicate job application, company business card signed by a representative of the company, or a signed attendance sheet. Discuss with the participant their responsibility to verify their whereabouts.

Note: If the participant is on formal probation, the DPO can authorize more time to search for employment.

Other court authorized activities

1. Participant must provide the Contractor with a schedule, including the date, time and location of any court authorized activities, such as drug or alcohol treatment meetings, counseling sessions, medical appointments, etc. It is desirable, for scheduling purposes, to allow a participant to attend meetings on the same days and times each week.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

Note: Because most NA or AA evening meetings are held after 7:00 p.m., it is usually a good practice to require the participant to go directly home from work and then set a separate schedule to allow for attendance at a scheduled meeting.

Example: Participant works from 8:00 a.m. to 5:00 p.m. and he is allowed 1/2 hour travel time each way; he has a scheduled AA meeting from 8:00 p.m. to 9:30 p.m. and is allowed 15 minutes travel time each way. The schedule should be set to allow participant to leave at 07:30 and enter at 17:30; leave again at 19:45 and enter at 21:15. In most cases, the participant should not be allowed to be away from his residence for almost 14 hours (07:30 until 21:15) in one increment.

2. Participant is to be given an attendance sheet to be signed by authorized personnel and submitted for inclusion into case file.

INSTALLATION AND HOOK-UP

1. GPS and strap are attached to participant's ankle, by an installer either at a branch office, Inmate Reception Center, or the participant's residence.
2. Record serial numbers of each piece of electronic monitoring equipment assigned to participant on computerized equipment log.
3. When the receiving unit is plugged in, if it is working properly, the computer will receive a "good hook-up" message. If this is done at a branch office, the participant is instructed on how and where to install the equipment in the home.

DAILY CONTACT LIST

Contractor is required to notify PTS of all enrollments, completions and terminations on a daily basis. Although the Daily Contact List was developed for this purpose, it is permissible for Contractor to utilize a computerized version of the form instead, provided it contains all the pertinent information.

- A. Fax or email contact list to PTS daily at the end of the day, whether or not there was any activity.

Note: Contractor will retain the absconder's name on active status (i.e., daily count list) for a period of up to fourteen (14) calendar days. After fourteen (14) calendar days, the absconders will be removed from the daily count but will remain on the Contractor's data base indefinitely, until a final disposition is received.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

- B. List must be legible and shall include all enrollments, completions and terminations.
- C. If an enrollment or completion occurred after the list was faxed or emailed, i.e., weekends, evenings, include the information on the next day's list.
- D. All follow-up documents (Enrollment, Completion, Termination Notices) must bear the same date shown on the list.
- E. Proofread documents for accuracy in case name, number of days ordered, dates.

SCHEDULE CHANGES

- A. Schedule changes shall not be approved for activities not authorized by the court. Schedule changes must be approved by authorized Contractor personnel in advance of the activity and a schedule change form must be maintained in the case file after appropriate case notes stating the reason for the change have been entered into the case file
- B. Enter schedule changes into the monitoring computer prior to the activity; in the case of "one time only" changes, the original schedule must be reinstated into the computer upon participant's return.

TYPE OF EQUIPMENT

All program participants will be monitored by a twenty-four (24) active/continuous system, utilizing a random contact back-up system. Monitoring equipment must be equipped with a tamper alarm system. The monitoring system must have a very high degree of reliability and dependability. It is the Contractors' responsibility to ensure that the monitoring equipment is working properly.

- A. The battery life of the transmitter and receiver must be sufficient to last throughout the term in between required charging periods. The participant is required to charge the device twice per day for one hour. If the device fails to hold a charge within this period, the device, charging unit, or both must be addressed by the contractor within one business day.
- B. Contractor's software system must be set to perform an automatic check of GPS device contact and tracking. System to report immediately if either contact or tracking from device has not been received in over 4 hours.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

REPLACEMENT/REPAIR OF EQUIPMENT

If there appears to be any equipment problem; which compromises monitoring accuracy, Contractor(s) will provide for prompt repair or replacement of the equipment.

- A. All equipment malfunctions must be replaced or repaired within twenty-four (24) hours of discovery of the malfunction.
- B. Place documented telephone calls to the participant every two (2) hours until equipment is repaired or replaced.

TAMPER ALARMS

Contractors must provide immediate documented telephonic response to tamper alarms.

- A. After initial telephone contact, place documented telephone calls to the participant every two (2) hours until equipment is inspected or replaced by the Contractor.
- B. Replacement, if necessary, must occur within twenty-four (24) hours of initial tamper alarm.
- C. Replacement, repairs and resets must be documented in case file and in equipment logs.

REPORTING GUIDELINES

It is the Contractor's responsibility to track and report participant's adherence to program guidelines. Contractors will notify designated authorities of the probable violation of conditions within the time limits established by the Probation Department (below) using only Probation Department approved forms (Appendix E). When sending notification to the court, the Contractor is to complete one notice, as applicable, for each application number corresponding to court case number.

MONITORING ACTIVITY REPORTS

Daily Exception Reports

Case managers will review the daily monitoring activity "exception report" first thing each business day. This will bring to their attention routine curfew violations or units that were late to test for the previous day. The daily report will include mention of any telephone contacts between the twenty-four (24) hour monitoring center staff and the person to whom they spoke at the participant's residence.

The monitoring center staff will notify Branch Managers, as needed, with immediate notification of serious violations, such as active tamper alarms, unresolved late-to-test, and knowledge of situations which may compromise public safety. Non-Compliance Reports and/or Abscond Notices for these incidents will be faxed or emailed by 11:00 a.m. the next business day to designated authorities. Non-Compliance Reports on less serious program violations, such as failure to provide documentation, curfew violations, unresolved or actual transmitter tampers can be emailed, mailed or faxed by the end of the business day.

All-activity Reports

Reports of all monitoring activity, including but not limited to, enters, leaves, monitor check-ins, late-to-test messages for the period between office visits will be printed for the file prior to each office visit. The report will be reviewed with the participant and documentation or verification of activities will be collected during the office visit. Non-Compliance Reports will be sent on any activity which was unauthorized or undocumented.

NEW ARRESTS

In the event that the participant is arrested while on the court component of the EM Program, the court will determine whether the participant will remain on electronic monitoring. The Contractor shall follow the steps outlined below:

- A. Fax, email or mail a Non-Compliance Notice to the court, PTS and DPO, if applicable, that a new arrest has been verified.
- B. Fax, email or mail an Abscond Notice to PTS and as applicable, to the court, Sheriff's Department, and DPO, if the participant has not returned home within four (4) hours and the participant's arrest has not yet been verified.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

PARTICIPANT VOLUNTARILY TERMINATES

- A. If a court participant voluntarily removes him or herself from the court component of the EM Program and turns in their monitoring equipment, an ABSCOND NOTICE shall be sent to the court. PTS will follow up on court action.
- B. If a participant appears in court to requests to be removed from the EM program and the court grants the request, for other than non-compliance, a COMPLETION NOTICE shall be sent.
- C. If a jail participant voluntarily returns to custody, not due to program violations, he or she will not be penalized but will remain in custody until his or her early release date. In this instance a COMPLETION NOTICE will be sent because this is not a program failure.
- D. If a CJ participant is remanded for non-compliance, it is considered a program failure; the inmate will remain in custody for the term of the sentence and is no longer eligible for any future release on EM. In this instance a TERMINATION NOTICE shall be sent.

DEFENDANT WALK-INS

If a defendant comes in with Court Ordered Monitoring Conditions from the court and Contractor has not received an Assessment Report, the Contractor will fax or email a copy of the Court Ordered Monitoring Conditions to PTS, obtain an EM application number, and instruct the defendant to call PTS from the office so that an application can be taken.

Note: Participants may not be enrolled without an EM application number. However, it is not necessary that the assessment be completed prior to enrollment. A number can be assigned once PTS has received Court Ordered Monitoring Conditions. Participant must be monitored at the Enhanced level until the Assessment Report is received and contractor is notified otherwise.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

ENROLLMENTS AFTER INELIGIBLE RECOMMENDATION

Participants are required to have both a permanent residence and a telephone in order to participate in this program. Occasionally, a participant who does meet one or both of these requirements is referred by the court and is found ineligible for program participation. If the court subsequently orders the participant into the program, the contractor shall instruct the participant to call PTS during the enrollment interview. PTS will complete an application by telephone. The contractor will include the participant's address and telephone number on the ENROLLMENT NOTICE.

PARTICIPANT CHANGE OF ADDRESS

Court Component

A court sentenced participant may not move without prior approval of the Court. Telephonic approval is acceptable, provided the phone call is documented in the case file and includes the date, time, name of the person spoken to, the name of the judge authorizing the change, the new address, and telephone number, if applicable.

County Jail Component

Contractor has the permission of the Sheriff's Department to approve a change of address for CJ participants.

The participant's new address and phone number must be reported to PTS on a STATUS REPORT within twenty-four (24) hours. (Court or CJ component)

- A. Contractor will verify the new location within twenty-four (24) hours of the monitor re-connect at the new address.

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

DOCUMENTATION

It is the Contractors' responsibility to account for the participant's whereabouts twenty-four (24) hours a day. Make it clear to the participant at the time of enrollment that certain documentation is required to account for his/her work schedule and other court approved activity. Probation Department approved documentation must provide **independent** verification by a third party that the participant was where he/she claims to have been on any given date and time. The documentation provided must correspond to the participant's daily monitoring activity report showing "enters" and "leaves". Acceptable forms of documentation include but are not limited to:

A. Conventional employment

3. Note or letter detailing hours and days worked during a given week, signed by supervisor

B. Unconventional employment (self-employed, independent contractor, sales, field work, etc.).

Enrollment Notices for these participants will include a statement detailing the type of documentation to be provided. If participant subsequently obtains employment, a Status Report will be sent to appropriate agencies.

When a participant does not have a regular "9-5" job, it is sometimes difficult to find a way to verify his/her time at work. During the initial interview, make it clear to the participant that it is his/her responsibility to prove where he/she is when he/she is not at home. Discuss with the participant different methods of verifying his/her away time. For example:

1. Provide participant with an activity log, which requires a name, address, time, date, signature and telephone number of someone who can confirm the participant's whereabouts.
2. Instruct participant to provide a daily or weekly work schedule, including appointments, with contact name, address and telephone numbers.

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

3. Instruct participant to provide invoices, which include date of a job, hours spent on a job, job location, contact person, amount charged and/or paid.
4. Instruct participant to provide daily itineraries, mileage claim forms or similar records used for billing purposes.

- A. Report any contact with participant and any information pertinent to monitoring participant's activities
- B. Report all schedule changes, reason, date, etc.
- C. Report all equipment problems, including the disposition

TECHNICAL EXHIBIT 7

PROBATION DEPARTMENT'S ELECTRONIC MONITORING (EM) PROGRAM OPERATIONAL PROCEDURES MANUAL

- A. A functional performance test and evaluation of the electronic monitoring equipment, with documented results, each time the equipment is issued to and returned by a program participant; the Contractor will provide a written plan describing how its systems will be tested and how performance standards will be met.
- B. An inspection system assuring ongoing delivery of services. The inspection system must specify the activities to be audited/inspected on either a scheduled or unscheduled basis, how often audits/inspections will be accomplished, the title of the individual(s) who will perform and record the audits/inspections and the methods for identifying and preventing deficiencies in the quality of the system. All audits/inspection results must be documented and available for review by the County during normal business hours.
- C. A computerized method of tracking equipment inventory, maintenance, battery life, and service records specific to each piece of equipment in accordance with suggested manufacturers maintenance specifications
- D. A method for ensuring uninterrupted service to Probation in the event of a strike of Contractor's employees

COUNTY OF LOS ANGELES PROBATION DEPARTMENT ELECTRONIC MONITORING PROGRAM PARTICIPANT CONTRACT

Page 1 of 7

You have been placed in the Los Angeles County Electronic Monitoring Program (EMP) as an alternative to incarceration. This program uses technology to alert a central monitoring station each time you leave and enter your home, or test positive for the consumption of alcohol. The computer will also report tampering with the equipment, power outages, and loss of phone service.

On the day you begin the program, a transmitter will be fitted to your ankle and a reporting unit will be installed on your telephone. Additional equipment may be necessary if enhanced monitoring is required. This equipment can be removed only after you complete the program, unless other direction is received from the Court.

While on the electronic monitoring program or "house arrest," you are required to remain inside your home except for activities authorized by the Court, Sheriff's Dept., or Probation. It is expected that you will have full-time employment, unless prohibited by your Probation Officer, the Sheriff's Dept., or the Court. Employment must be verified in writing by someone in a supervisory position. In addition, all timecards and paycheck stubs must be submitted as further verification of employment.

At the time of enrollment, a Case Manager will establish a schedule based on your permitted activities such as employment, counseling, drug or alcohol abuse treatment, and any other permitted activities. All overtime or other schedule changes require a Case Manager's approval at least 24 hours in advance. Consideration will be given to same day requests in order to ensure compliance and successful completion of the program. Your Case Manager will also establish scheduled mandatory compliance meetings that you will have to attend at the Contractor's branch office. At these meetings, you will be required to provide documentation for all outside activities.

PROGRAM COMPLIANCE

Participation in the program is voluntary. You should be advised that once you have been enrolled in EMP, section 1203.016 of the California Penal Code states that you can be taken into custody to serve the balance of your sentence for any of the following reasons:

- A. Failure to follow program rules and/or regulations (including providing all required documentation).*
- B. Failure of the equipment to perform for any reason which results in the inability to monitor you effectively.*
- C. Any negative behavior resulting in the Court or Probation Officer's belief that you may not complete the program successfully.*

If you willfully leave your residence without authorization or fail to return to your residence at the prescribed time, you can be prosecuted for escape under Penal Code section 4532.

A Non Compliance Report will be sent to the Court and/or Probation Officer for any program violation, including but not limited to:

1. Leaving the range of your monitoring equipment when you are scheduled to be at home.

PROGRAM EQUIPMENT

The transmitter fitted to your ankle, the in-home monitor attached to your telephone line, and any other equipment given to you by Contractor's Offender Services is your responsibility.

The ankle strap and transmitter are water resistant and lightweight. It must be worn under your sock, which should not interfere with your normal activities. You can shower while on the program, however, you should not submerge the transmitter in a bathtub, spa or pool.

The in-home unit is connected to the phone and electricity lines in your residence in a fashion similar to an answering machine. This unit transmits a signal through the telephone lines via a (800) phone number. You will not be charged for these calls.

This unit does not have audio recording capabilities and will not monitor your phone conversations. If you unplug either the power cord or the phone line, a Non-Compliance Report will be sent to the Court/Probation Dept. However, any increase must not exceed the general salary movement granted to County employees as determined by the Chief Executive Officer as of each July 1 for the prior twelve (12) month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Where the County decides to grant a COLA pursuant to this paragraph for living wage contracts, it may, in its sole discretion exclude the cost of labor (including the cost of wages and benefits paid to employees providing services under this Contract) from the base upon which a COLA is calculated, unless the Contractor can show that their labor cost will actually increase. Further, before any COLA increase will take effect and become part of this Contract, it will require a written amendment to this Contract first, that has been formally approved and executed by the parties. To request a COLA, Contractor must submit a written request along with appropriate justification to the Contract Analyst 60 days prior to exercising the additional option year periods identified in Paragraph 4.0.

5.7 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

- 5.7.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 5.7.2 The Contractor shall submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.7.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.
- 5.7.4 At any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business, or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon the Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to the County, and a copy of an Additional Insured endorsement confirming the County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to the County at the address shown below and provided prior to commencing services under this Contract.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against the County under all the Required Insurance for any loss arising from or relating to this Contract. 8.24.10 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

- 8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. 8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the

performance of this Contract to the extent not terminated under the provisions of this paragraph.

- 8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

The Contractor, and each County Lobbyist or the County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or the County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or

8.52 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ten (10) days of notice shall be grounds upon which the County may terminate this Contract and/or pursue debarment of the Contractor, pursuant to County Code Chapter 2.206.

8.53 Time Off for Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

8.58 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision shall survive the expiration, or other termination of this Agreement.

8.59 Injury and Illness Prevention Program

The Contractor will be required to comply with the State of California's Cal OSHA's regulations. Solicitation For		Services

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- ☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the Contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

Pursuant to the Levine Act ([Government Code Section 84308](#)), a member of the Board of Supervisors, other elected County officials (the Sheriff, Assessor, and the District Attorney), and other County employees and/or officers ("County Officers") are disqualified and not able to participate in a proceeding involving contracts, franchises, licenses, permits and other entitlements for use if the County Officer received more than \$250 in contributions in the past 12 months from the bidder, proposer or applicant, any paid agent of the bidder, proposer, or applicant, or any financially interested participant who actively supports or opposes a particular decision in the proceeding.

State law requires you to disclose information about contributions made by you, your company, and lobbyists and agents paid to represent you. Failure to complete the form in its entirety may result in significant delays in the processing of your application and potential disqualification from the procurement or application process.

You ("Declarant"), or your company, if applicable, including all entities identified below (collectively, "Declarant Company") must also answer the questions below. The term "employee(s)" shall be defined as employees, officers, partners, owners, or directors of Declarant Company.

An affirmative response to any questions will not automatically cause the disqualification of your bid/proposal, or the denial of your application for a license, permit or other entitlement. However, failure to answer questions completely, in good faith, or providing materially false answers may subject a bidder/proposer to disqualification from the procurement.

<i>This material is intended for use by bidders/proposers, including all prime contractors and subcontractors, and by all applicants for licenses, permits, and other entitlements for use issued by the County of Los Angeles and does not constitute legal advice. COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE. . .

The importance of small business to the County. . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow. . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

IRS NOTICE 1015

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2023)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Certificate.

Note: You are encouraged to notify all employees whose wages for 2023 are less than \$63,398 that they may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following.

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you

must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 5, 2024.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know if They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the Instructions for Forms 1040 and 1040-SR.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2023 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2023 and owes no tax but is eligible for a credit of \$800, they must file a 2023 tax return to get the \$800 refund.

APPENDICES J – L
INTENTIONALLY OMITTED

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

Page 9 of 2

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 19).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://oag.ca.gov/> contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) 2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Both organizations' websites offer information about how to establish and manage a charitable organization.

2.206.010 Findings and declarations.

The Board of Supervisors finds that significant revenues are lost each year as a result of taxpayers who fail to pay their tax obligations on time. Therefore, the Board of Supervisors establishes the goal of ensuring that individuals and businesses that benefit financially from the Contracts with the County fulfill their property tax obligation.
