ABOUT THE CASE

.....

Youth who were detained in Los Angeles County juvenile facilities between 2002 and 2023 may be entitled to compensation through a \$30 million class action settlement – **but they must act quickly**. The lawsuit alleges harmful conditions at LA County Juvenile Halls and Camps.

The average estimated recovery is over \$7,000 per Class Member. This does not mean that each person will receive \$7,000, some could receive more and some less.

Go to www.LACountyJuvenileDetentionSettlement.com to submit your claim by November 28, 2025.

WHO IS ELIGIBLE

.....

-  Anyone born on or after February 15, 2002 who was held in a Juvenile Hall or Camp in Los Angeles County.
-  Class Members with longer stays, especially in Halls, are expected to receive larger payments.
-  Claims can be filed directly by minors or by a parent or guardian on their behalf.
-  If the individual is currently incarcerated, a family member may file on their behalf.

Cash Payments

.....

The average recovery is estimated to be over **\$7,000** per Class Member.
