Pilcher has served four prison terms, the longest being seven years for carjacking. He was released most recently, to the supervision of the Los Angeles County Probation Department on 05/13/2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Pilcher absconded from post release community supervision (PRCS). Pilcher qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession/purchase cocaine base for sale is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
