### NARRATIVE:

Bilskie, has an extensive criminal history that began at the age of 19. He has been convicted of multiple cases of battery with serious bodily injury, possession of dangerous weapons, assault, battery, carrying a concealed dagger, trespassing, possession of switch blade, possession of controlled substance, under the influence of controlled substance, insufficient funds, alter/forged identification, parole violations, and fugitive from justice. Bilskie has served multiple state prison terms, the longest, a five (5) year term for battery with serious bodily injury. Bilskie was released from state prison to the supervision of the Los Angeles County Probation Department on July 22nd, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Bilskie absconded from post release community supervision (PRCS). Bilskie qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of dangerous weapons meets the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
