NARRATIVE:

Maheia, a documented gang member, has an extensive adult criminal history that began at the age of 19. His convictions include assault with a deadly weapon causing great bodily injury on peace officer, violation of parole, and multiple vehicle thefts. He has served multiple state prison terms the longest a 5 year term for assault with deadly weapon causing great bodily injury on peace officer. Maheia was released from state prison to the supervision of the Los Angeles County Probation Department on April 13, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2014 after he absconded from post release community supervision (PRCS). Maheia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of vehicle theft is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
