GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW**

The Department of Probation, Placement Permanency & Quality Assurance (PPQA), Group Home Monitoring (GHM) conducted a review of Community Youth Sports and Arts Foundation (CYSAF), in May 2013. CYSAF is located in the Second District of Los Angeles County and provides services to Los Angeles County Probation children. According to the agency's program statement, its purpose is to treat boys who have been physically, sexually and emotionally abused. The Group Home agency provides individual, group and family counseling, as well as alcohol/drug education and substance abuse counseling.

CYSAF Group home is a six (6) bed home that provides care for boys, ages 12 - 17 years of age. The Group Home's target population is boys who exhibit emotional and behavioral difficulties. At the time of the review, CYSAF was providing care for five (5) Probation children. The randomly selected interview sample size was five (5) Probation youth. At the time of the review, there were no placed children prescribed psychotropic medication. Additionally, three (3) discharged children's files were reviewed to assess compliance with permanency efforts, and five (5) staff files were reviewed for compliance with Title 22 Regulations and County Contract Requirements.

## SUMMARY

During the PPQA/GHM review, the interviewed children reported feeling safe at CYSAF, and that they were provided with good care and appropriate services, were comfortable in their environment and treated with respect and dignity. CYSAF was in compliance with seven (7) of the 10 areas of our Contract Compliance Review: Licensure/Contract Requirements; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being and Discharged Children.

However, deficiencies were noted in the three (3) areas of, "Facility and Environment", "Maintenance of Required Documentation and Service Delivery" and "Personnel Records". CYSAF had minor repair issues and agreed to correct the deficiencies noted at the site. The agency also needs to develop comprehensive Needs and Services Plans (NSPs). CYSAF Administration was instructed to obtain signatures from the children's Probation Caseworkers when developing their NSP. They also had deficiencies related to personnel records.

### REVIEW OF REPORT

On May 17, 2013, Probation PPQA Monitor Raymond Ro held an Exit Conference with CYSAF representative, Roland Freeman, Assistant Managing Director. Mr. Freeman agreed with the review findings and recommendations and was receptive to implementing systemic changes to improve their compliance with regulatory standards, as well as address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

CYSAF provided the attached approved CAP addressing the recommendations noted in this compliance report. Assessment for implementation of recommendations will be conducted during the next monitoring review.

If additional information is needed or any questions or concerns arise, please contact Director Lisa Campbell-Motton, Placement Permanency and Quality Assurance, at (323) 240-2435.

**COMMUNITY YOUTH SPORTS AND ART FOUNDATION  
CONTRACT COMPLIANCE MONITORING REVIEW  
FISCAL YEAR 2012-2013**

**SCOPE OF REVIEW**

The purpose of this review was to assess Community Youth Sports and Arts Foundation's (CYSAF) compliance with the County contract and State regulations and include a review of the Group Home's program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements
- Facility and Environment
- Maintenance of Required Documentation and Service Delivery
- Educational and Workforce Readiness
- Health and Medical Needs
- Psychotropic Medication
- Personal Rights and Social Emotional Well-Being
- Personal Needs/Survival and Economic Well-Being
- Discharged Children
- Personnel Records

For the purpose of this review, all five (5) Probation placed children were selected for the sample. Placement Permanency & Quality Assurance (PPQA), Group Home Monitoring (GHM) interviewed each child and reviewed their case files to assess the care and services they received. At the time of the review, there were no placed children prescribed psychotropic medication; therefore, no case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations (PMAs) or sufficient documentation of psychiatric monitoring. Additionally, three (3) discharged children's files were reviewed, three (3), to assess CYSAF compliance with permanency efforts.

Additionally, five (5) staff files were reviewed for compliance with Title 22 Regulations and County Contract Requirements, and a site visit was conducted to assess the provision of quality of care and supervision.

**CONTRACTUAL COMPLIANCE**

PPQA/GHM found the following three (3) areas out of compliance.

**Facility and Environment**

During the facility inspection, there were several deficiencies noted in the areas of, "Exterior Well Maintained", "Common Quarters Maintained" and "Children's Bedrooms/Interior Maintained". CYSAF Group Home had paint chipping off by the back stairs. The back door screen at the back of the home is old and needs to be replaced. In bedroom #1 there was gang graffiti on both sides of the mirror. The closet had no light and the screen covering was in poor condition. In bedroom #2, there was gang graffiti on the wall. In bedroom #3, the screen covering is old and ripped up.

### **Recommendation**

1. CYSAF shall ensure that the aforementioned deficiencies cited will be corrected and repaired in a timely fashion.

### **Maintenance of Required Documentation and Service Delivery**

Out of the five (5) Needs & Service Plans (NSPs) that were reviewed, two (2) were developed timely; however, there was no initial 30-day reports for two (2) children because they had been at the Group Home for less than one month. Therefore, of the three (3) Quarterly Reports reviewed, one (1) report did not have the Probation Caseworker's signature to implement the child's NSP. There was no documentation found to show that efforts were made to obtain the required signatures. There was no documentation stating Probation Caseworkers monthly contact was verified by the Group Home. No documentation was presented or found in the children's files indicating contact had been made with the Probation Caseworker. CYSAF did not update one (1) of the three (3) NSP files reviewed in a timely manner. NSP's indicating if the treatment team had met with the child in the allotted time frame was missing dates and could not be determined. The treatment team failed to provide a comprehensive updated NSP with the child as it was general and not detailed with specific measurable outcomes. Out of the three (3) reviewed one (1) did not follow the SMART (specific, measurable, attainable realistic, timely) format.

### **Recommendation**

1. CYSAF management shall ensure that all NSP's are timely, comprehensive and documented with the appropriate signatures or efforts made to obtain that required signatures.

### **Personnel Records**

Of the five (5) staff files reviewed, all Group Home staff's CPR and First AID training had expired.

### **Recommendation**

1. CYSAF will provide documentation that CPR and First Aid training for all Group Home staff has been completed and is current.

### **PRIOR YEAR FOLLOW-UP FROM PROBATION'S PPQA GHMU'S GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW**

PPQA GHM's last compliance report dated May, 2012, identified four (4) of the following recommendations in the areas of "Facility of Environment"; "Maintenance of Required Documentation and Service Delivery"; "Personal Rights Social/Emotional Well-Being", and "Personnel Records".

## Results

Based on the follow-up review, CYSAF fully implemented the previous recommendations in the area of "Facility of Environment", for they were to ensure that:

- All three bedroom walls were cleaned and painted.
- The walls in the dining room need was painted and cleaned.

Based on the follow-up review, CYSAF fully implemented the recommendation in the area of "Personal Rights Social/Emotional Well-Being", for they were to ensure that:

- CYSAF has given all children their "Life Books" based on interviews with the children.

The two (2) recommendations that remain out of compliance for 2013-2013, fiscal year are in the areas of, "Maintenance of Required Documentation and Service Delivery" and "Personnel Records".

- All initial NSP's were not completed in a timely manner. They need to make substantial efforts to ensure the dates of completion are accurate.
- CYSAF staff has not received the required one (1) hour training in the area of Child Abuse and provide verification of their completion. Although the Group Home completed the Child Abuse training for this fiscal year, they still remain out of compliance in the area of training, as the First-Aid and CPR training had expired.

### **MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER**

The most recent Fiscal Review for CYSAF from the Department of Auditor-Controller is dated March 10, 2010, for the fiscal period of January 1, 2008, to December 31, 2008. The report dated March 10, 2010, indicated that CYSAF had questioned/disallowed cost and submitted a timely, approved fiscal Corrective Action Plan, which is being monitored by the Department of Children and Family Services, Fiscal Monitoring Section.
