SUBJECT: **TRINITY YOUTH SERVICES GROUP HOME CONTRACT  
COMPLIANCE MONITORING REVIEW**

The Department of Probation, Placement Permanency & Quality Assurance (PPQA), Group Home Monitoring (GHM) conducted a review of Trinity Youth Services in March 2014. Trinity Youth Services consist of four (4) facilities: El Monte, Apple Valley, Yucaipa, and Norco. The Trinity-El Monte site is located in the First Supervisorial District of Los Angeles County. The Trinity-Apple Valley site is located in the First Supervisorial District of San Bernardino County. The Trinity-Yucaipa site is located in the Third Supervisorial District of San Bernardino County. The Trinity-Norco site is located in the Second Supervisorial District of Riverside County. Trinity Youth Services provides services to Los Angeles County Probation and various other Probation counties. According to Trinity Youth Services program statement, its purpose is to treat boys and girls who have behavioral, social and emotional difficulties.

Trinity Youth Services Group Homes consist of four (4) facilities: El Monte (43-bed boy's facility), Apple Valley (44-bed boy's facility), Yucaipa (66-bed boy's facility), and Norco (6-bed girl's facility). The facilities provide care for boys and girls 7 – 18 years of age. At the time of the review, Trinity Youth Services was providing care for 95 Probation children. The placed children's overall average length of stay was six (6) months, and their average age at the time of inspection was 17 years old.

Seven (7) children were randomly selected for the interview sample, with three (3) children who were on psychotropic medication at the time of this review. Those three (3) cases were reviewed for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring. Additionally, three (3) discharged children's files were reviewed to assess compliance with permanency efforts, and five (5) staff files were reviewed for compliance with Title 22 Regulations and County Contract Requirements.

### **SUMMARY**

During the PPQA/GHM review, the interviewed children reported feeling safe at Trinity Youth Services, and that they were provided with good care and appropriate services, were comfortable in their environment and treated with respect and dignity. Trinity Youth Services was in compliance with nine (9) of the ten (10) areas of the Contract Compliance Review: "Licensure/Contract Requirements"; "Maintenance of Required Delivery Documentation and Service Delivery"; "Education and Workforce Readiness"; "Health and Medical Needs"; "Psychotropic Medication"; "Personal Rights and Social/Emotional Well-Being"; "Personal Needs/Survival and Economic Well-Being"; "Discharged Children"; and "Personnel Records".

However, deficiencies were noted in the areas of "Facility and Environment". Trinity Youth Services had minor repair issues and agreed to correct the deficiencies noted at each site.

### **REVIEW OF REPORT**

On March 26, 2014, Probation PPQA Monitor Joseph Ninofranco held an Exit Conference with Trinity Youth Services Program Directors Gil Quinbar and Jim Adams. Trinity Youth Services representatives agreed with the review findings and recommendations and were receptive to implementing systemic changes to improve their compliance with regulatory standards, as well as address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

Trinity Youth Services provided the attached approved CAP addressing the recommendations noted in this compliance report. A follow-up visit was conducted, and all deficiencies cited in the CAP were corrected or systems were put in place to avoid future deficiencies. Assessment for continued implementation of recommendations will be conducted during the next monitoring review.

If additional information is needed or any questions or concerns arise, please contact Director Lisa Campbell-Motton, Placement Permanency and Quality Assurance, at (323) 240-2435.
