NARRATIVE:

Dennis Patterson has an extensive adult criminal history that began at the age of 19. His convictions include terrorist threats, possession of dangerous weapons, felon in possession of a firearm, possession of controlled substances, possession of drugs for sale while armed with a firearm, receiving stolen property, failure to appear and violation of parole. He has served multiple state prison terms, the longest being a 5 year term for possession of drugs for sale while armed with a firearm. Patterson was released from state prison to the supervision of the Los Angeles County Probation Department on December 5, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2014 after he absconded from post release community supervision (PRCS). Patterson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances for sale is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
