### NARRATIVE:

Jose Armando Garcia is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include possession of a firearm by felon, terrorist threats, receiving stolen property, burglary, vehicle theft, evading a peace officer, possession of burglary tools, possession of narcotics for sale, false identification to peace officer, possession of marijuana for sale and failing to report. He has served multiple state prison terms, the longest being a 3 year term for terrorist threats. Garcia was released from state prison to the supervision of the Los Angeles County Probation Department on March 13, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for terrorist threats is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
