SUBJECT: **EGGLESTON YOUTH CENTER GROUP HOME CONTRACT COMPLIANCE
MONITORING REVIEW**

The Department of Probation, Placement Permanency & Quality Assurance (PPQA), Group Home Monitoring (GHM) conducted a review of Eggleston Youth Center in April 2014. Eggleston Youth Center has six (6) contracted homes within Los Angeles County: Eggleston Youth Center, Sites I, II, V and Eggleston Transitional Group Home, which are located in the First Supervisorial District of Los Angeles; and Eggleston West Covina Group Home and Eggleston Emancipation Group Home, which are located in the Fifth Supervisorial District of Los Angeles. Eggleston Youth Center provides services to Los Angeles County Probation children and the Department of Children and Family Services (DCFS) children. According to the Eggleston Youth Center program statement, its purpose is to treat boys who have behavioral, social and emotional difficulties.

Eggleston Youth Center's six (6) Group Homes have a capacity of six (6) beds at each site, and the agency provides care for boys 13 - 17 years of age. At the time of the review, Eggleston Youth Center was providing care for 15 Probation children and 26 DCFS children. The placed children's overall average length of stay was seven (7) months, and their average age at the time of inspection was 17 years old.

Seven (7) children, five (5) Probation children, and two (2) DCFS children, were randomly selected for the interview sample. Four (4) children were on psychotropic medication, and those cases were reviewed for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring. Additionally, three (3) discharged children's files, two (2) Probation and one (1) DCFS, were reviewed to assess compliance with permanency efforts, and five (5) staff files were reviewed for compliance with Title 22 Regulations and County Contract Requirements.

SUMMARY

During the PPQA/GHM review, the interviewed children reported feeling safe at Eggleston Youth Center, and that they were provided with good care and appropriate services, were comfortable in their environment and treated with respect and dignity. Eggleston Youth Center was in compliance with six (6) of the 10 areas of the Contract Compliance Review: "Health and Medical Needs"; "Psychotropic Medication"; "Personal Rights and Social/Emotional Well-Being"; "Personal Needs/Survival and Economic Well-Being"; "Discharged Children"; and "Personnel Records".

However, deficiencies were noted in the areas of "License/Contract Requirements", in that there were minor repair issues in one of their facility vehicles; "Facility and Environment", in that there were minor cosmetic deficiencies in the homes and graffiti in several bedrooms; "Maintenance of Required Documentation Service Delivery", in that they did not obtain required signatures or include child specific goals and comprehensive content when developing their Needs and Services Plan; and "Education and Workforce Readiness", in that children were unaware of any vocational training.

REVIEW OF REPORT

On May 6, 2014, Probation PPQA Monitor Joseph Ninofranco held an Exit Conference with Eggleston Youth Center Administrator Clarence Brown. Eggleston Youth Center representative agreed with the review findings and recommendations and was receptive to implementing systemic changes to improve their compliance with regulatory standards, as well as address the noted deficiencies in a Corrective Action Plan (CAP).

Eggleston Youth Center provided the attached approved CAP addressing the recommendations noted in this compliance report. A follow-up visit was conducted and all deficiencies cited in the CAP were corrected or systems were put in place to avoid future deficiencies. Assessment for continued implementation of recommendations will be conducted during the next monitoring review.
