### NARRATIVE:

Paul Dominguez is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include exhibiting a deadly weapon, vandalism, battery on a peace officer, obstructing and resisting a peace officer, false information to a peace officer, being under the influence of controlled substances, burglary, violation of parole, possession of drugs and alcohol in prison, possession of narcotic controlled substances for sale, trespassing and failing to report. He has served multiple state prison terms, the longest being an 11 year term for burglary. Dominguez was released from state prison to the supervision of the Los Angeles County Probation Department on December 14, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Dominguez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of narcotic controlled substances for sale is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
