NARRATIVE:

Lorenzo Leal is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include robbery, possession of a firearm by a felon, fraud, disturbing the peace, multiple cases of resisting arrest, several cases of driving with a suspended license and failing to report. He has served multiple state prison terms the longest being a five year term for possession of a firearm by a felon. Leal was released from state prison to the supervision of the Los Angeles County Probation Department on August 10, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2015 after he absconded from post release community supervision (PRCS). Leal qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a firearm by a felon is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
