NARRATIVE:

Andre Sanabria is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include carrying a loaded weapon in a public place, assault with a deadly weapon likely to produce great bodily injury, felon in possession of a firearm, battery, vandalism, receiving known stolen property, contributing to the delinquency of a minor, vehicle theft, grand theft, false ID to a peace officer, obstruction of a peace officer, driving on suspended license and failing to report. He has served multiple state prison terms, the longest being a 5 year term for assault with a deadly weapon likely to produce great bodily injury. Sanabria was released from state prison to the supervision of the Los Angeles County Probation Department on February 16, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2015 after he absconded from post release community supervision (PRCS). Sanabria qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vandalism is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
