### NARRATIVE:

Trevor Mostyn has an extensive adult criminal history that began at the age of 20. His convictions include burglary, false imprisonment with violence, transporting/selling narcotic controlled substances, receiving stolen property, violation of parole, driving with suspended license and illegal possession of ammo by felon. He has served multiple incarcerations, the longest being a 4 year term for false imprisonment with violence. Mostyn was released from state prison to the supervision of the Los Angeles County Probation Department on June 20, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Mostyn qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for illegal possession of ammo by felon is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
