NARRATIVE:

Ernest Escobar has an extensive adult criminal history that began at the age of 20. His convictions include multiple cases of felon in possession of a firearm, carrying a concealed weapon, battery, vandalism, multiple cases of possession of controlled substances, vehicle theft, grand theft of cargo, multiple cases of being under the influence of controlled substances and suspended license. He has served multiple incarcerations, the longest being a 4 year term for felon in possession of a firearm. Escobar was released from state prison to the supervision of the Los Angeles County Probation Department on November 13, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Escobar qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
