SUBJECT: **FUTURE STARS YOUTH SERVICES GROUP HOME CONTRACT
COMPLIANCE MONITORING REVIEW**

The Department of Probation, Placement Permanency & Quality Assurance (PPQA), Group Home Monitoring (GHM), conducted a review of Future Stars Youth Services Group Home, operated by Future Stars, in February 2015. Future Stars Youth Services has one site, located in the Fifth Supervisorial District of Riverside County. They provide services to Los Angeles County Probation foster children and Los Angeles County Department of Children and Family Services (DCFS) foster children. According to Future Stars program statement, its purpose is to provide services to girls who are victims of physical abuse, drug and alcohol abuse and are in need of a specialized anger management program.

Future Stars is a six (6) bed site and is licensed to serve a capacity of six girls, 13-18 years old. At the time of review, Future Stars did not have any Los Angeles County Probation or DCFS children; however, they did have four (4) children from other counties, two (2) from San Bernardino, one (1) from Imperial County and one (1) from San Diego County. Since there were no Los Angeles County children to sample, case files and Psychotropic Medication Authorizations (PMAs) were not reviewed.

One Los Angeles County Probation discharged child's file was reviewed to assess compliance with permanency efforts, and five (5) staff files were also reviewed for compliance with Title 22 Regulations and County Contract Requirements.

SUMMARY

Future Stars was in compliance with one (1) of the 10 areas of the Contract Compliance Review: "Discharge Children." Six (6) of the areas were not applicable due to the Group Home not having any children to sample for interviews; therefore, the following areas did not apply during this monitoring compliance review: "Maintenance of Required Documentation and

Service Delivery,” “Education and Workforce Readiness”, Health and Medical Needs”, “Psychotropic Medication”, “Personal Rights and Social/Emotional Well-Being” and “Personal Needs/Survival and Economic Well-Being.”

PPQA/GHM noted deficiencies in three (3) areas. In the area of “Licensure/ Contract Requirements”, Future Stars needed to ensure that they issue the minimum weekly allowance to all placed children and remain free of substantiated Community Care Licensing (CCL) complaints. It was noted in the area of “Facility and Environment” that Future Stars needed to make minor repairs by ensuring that the mold is removed from the bathtub and the graffiti removed from the closet. In the area of “Personnel Records”, Future Stars failed to ensure that all staff’s DOJ, FBI, and Child Abuse Clearance Indexes (CACI) were submitted prior to the employee’s hire date. In addition, Future Stars needed to ensure that all personnel files have the required minimum education/experience documented in their files.

REVIEW OF REPORT

On February 20, 2015, Probation PPQA Monitor RaTasha Smith held an Exit Conference with Future Stars Youth Services Administrator Sarah Wright. Administrator Wright agreed with the review findings and recommendations and was receptive to implementing systemic changes to improve their compliance with regulatory standards, as well as address the noted deficiencies in a Corrective Action Plan (CAP).

Future Stars Youth Services Group Home provided the attached approved CAP addressing the recommendations noted in this compliance report. A follow-up visit was conducted on March 25, 2015, and all deficiencies cited in the CAP were corrected or systems were put in place to avoid future deficiencies. Assessment for continued implementation of recommendations will be conducted during the next monitoring review.

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

Five (5) staff files were reviewed for compliance with Title 22 Regulations and County contract requirements, and a site visit was conducted to assess the provision of quality care and supervision.

CONTRACTUAL COMPLIANCE

The following three (3) areas were out of compliance.

Licensure/Contract Requirements

Personnel Records

- During a review of the five (5) employee files, one (1) of the five (5) did not have the DOJ, FBI, and Child Abuse Clearance submitted prior to their hire date.
- During the review of the five (5) employee files, all five (5) files were missing their minimum education/experience.

Recommendation

Future Stars management shall ensure that:

2. All employees have their minimum education/experience documented in their files.

PRIOR YEAR FOLLOW-UP FROM THE PROBATION PPQA GHM GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW

PPQA/GHM's last compliance report dated June 9, 2014, identified three (3) recommendations.

Results

Based on the prior year follow-up, Future Stars fully implemented two (2) of the three (3) previous recommendations for which they were to ensure that:

- The minor physical deficiencies that were located in bedrooms #2 and #3 were repaired/corrected.
- All personnel files contained criminal background statements.

The third recommendation surrounding maintenance of required documentation and service delivery was not reviewed during the 2014-2015 monitoring review period due to the Group Home not having any Los Angeles County Probation or DCFS children placed during the monitoring review process; therefore, NSP's were not reviewed.
