NARRATIVE:

David Frater has an extensive adult criminal history that began at the age of 31. His convictions include lewd or lascivious acts with a child under 14, child molesting, possession of child pornography, send/sell obscene child material, violation of parole, disorderly conduct/solicit lewd acts and failure to register as a sex offender. He has served multiple incarcerations, the longest being a 16 month term for possession of child pornography. Frater was released from state prison to the supervision of the Los Angeles County Probation Department on July 13, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after he absconded from post release community supervision (PRCS). Frater qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of child pornography is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
