RANCHO SAN ANTONIO BOYS HOME FISCAL COMPLIANCE ASSESSMENT

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment of Rancho San Antonio Boys Home, (the Group Home) in April 2015. The Group Home has one licensed site located in the Fifth Supervisorial District and provides services to the County of Los Angeles Probation foster youth and youth from other Counties. According to the Group Home's Program Statement, its stated purpose is, "to provide a structured treatment environment, strength based assessments, cognitive behavioral techniques, social learning, modeling, a level system that reinforces social skills training and Aggression Replacement Training to promote change."

During the month of the review, the Group Home served 22 Probation foster youth. 20 were placed by Probation and 2 were placed by other Counties. The Group Home has a 101-bed site and is licensed to serve a capacity of 106 children. The placed youth's overall average length of placement was five months and their average age was 17.

SUMMARY

CAD conducted a Fiscal Compliance Assessment, which included an agency-wide review of the Group Home's financial records such as financial statements, bank statements, check register and personnel files to determine the Group Home's compliance with the terms, conditions and requirements of the Group Home contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State and County regulations and guidelines.

CAD identified deficiencies in the areas of: Cash/Expenditures, related to petty cash checks, unresolved outstanding checks on bank reconciliations, incomplete independent contractor agreements and an incomplete fixed asset inventory; and Payroll and Personnel, related to compensation of two staff members as employees and as independent contractors.

Attached are the details of CAD's review.

REVIEW OF REPORT

On May 19, 2015 Helga Kiaian, CAD Fiscal, held an exit conference with the Group Home representatives: Brother John Crowe, Chief Executive Officer, Randy McTague, Executive Director, Nick Rizzo, Finance Manager, and Saul Rodriguez, Senior Accountant. The Group Home representatives agreed with the review findings and recommendations, were receptive to implementing systemic changes to improve compliance with regulatory standards and agreed to address the noted deficiencies in a Fiscal Corrective Action Plan (FCAP).

A copy of this report has been sent to the A-C and Community Care Licensing.

The Group Home provided the attached approved FCAP addressing the recommendations noted in this report.

**RANCHO SAN ANTONIO BOYS HOME
FISCAL COMPLIANCE ASSESSMENT REVIEW
FISCAL YEAR 2014 – 2015**

SCOPE OF REVIEW

The Fiscal Compliance Assessment included a review of Rancho San Antonio Boys Home (the Group Home's) financial records for the period of July 1, 2013 through February 28, 2015. CAD reviewed the financial statements, bank statements, check register and personnel files to determine the Group Home's compliance with the terms, conditions and requirements of the Group Home contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State and County regulations and guidelines.

The on-site Fiscal Compliance Assessment review focused on five key areas of internal controls:

- Financial Overview,
- Loans, Advances and Investments,
- Board of Directors and Business Influence,
- Cash/Expenditures, and
- Payroll and Personnel.

The Group Home was in full compliance with 3 of 5 areas of the Fiscal Compliance Assessment: Financial Overview, Loans, Advances and Investments, and Board of Directors and Business Influence.

According to the audited financial statements as of June 30, 2014, the Group Home had \$2,614,123 total investment in money market funds, fixed income securities, equities and mutual funds. However, according to the Group Home, no County contract funds have been invested. All of the Group Home's investments are from donations from their benefactors.

FISCAL COMPLIANCE

CAD found the following two areas out of compliance:

Cash/Expenditures

- All petty cash replenishment checks were made payable to Wells Fargo for cash.

The Group Home will start writing checks payable to the petty cash custodian.

- Reconciling items outstanding longer than six months was not conducted.

Fourteen checks dated in January, March, April, May and June 2014 that totaled \$1,915.75 were outstanding as of February 28, 2015.

The Group Home voided all of the outstanding checks and will void outstanding checks monthly.

- One independent contractor agreement did not have the current billing rate.

The original contracts will be amended any time terms of the agreements are changed.

- The fixed asset inventory did not include the funding source.

The funding source will be added to the fixed asset inventory.

Recommendations:

The Group Home's management shall ensure that:

1. Checks are not made payable to cash.
2. Reconciling items on the bank reconciliations are resolved timely.
3. All independent contractor written agreements include the current billing rate.
4. The fixed asset inventory includes all required elements.

Payroll and Personnel

- One cook and one supervisor are also paid for pest control and hair cut services, respectively.

The independent contractor responsibilities will be added to the job description of the cook and he will be compensated accordingly. The Group Home will contract with a provider for hair cut services.

Recommendation:

The Group Home's management shall ensure that:

5. Group Home staff are not paid as independent contractors.

NEXT FISCAL COMPLIANCE ASSESSMENT

The next Fiscal Compliance Assessment of the Group Home will be conducted in County Fiscal Year 2015-2016.
