## **Free Tree Debris Drop-Off Events in Unincorporated Communities Continues This Weekend**

Residents of windstorm-damaged County unincorporated communities have another opportunity to dispose of fallen tree limbs and other tree debris for free this weekend.

Local waste haulers in La Crescenta, Altadena and Kinneloa Mesa, East Pasadena/East San Gabriel, Citrus, and East Charter Oak have coordinated with the LA County Public Works Department and the Department of Parks & Recreation to offer the additional free tree debris drop-off events.

Residents are urged to call their local waste hauler prior to utilizing the service for instructions on how to prepare their tree debris for drop-off. Proof of residency is required.

Residents are also advised to continue to use their large green waste bins for smaller tree debris and to contact their waste hauler to arrange pick-up of additional excess tree debris on their regular trash collection day. Unacceptable items for green waste bins include palm tree branches, bamboo, soil, painted or treated wood.

The removal and clearing of tree waste or green debris that is not in the public right of way is the responsibility of private property owners. Waste and debris should not be dumped in public rights of way or flood control channels.

Property owners who suffered damage to vehicles, homes or other property caused by fallen trees or tree limbs should contact their private insurers for the proper handling of claims.

The times and locations of the free tree debris drop-off events are:

La Crescenta:

Hauser-Allied Waste Services (888) 742-5234

Location-Crescenta Valley Regional Park, 3901 Dunsmore Ave., La Crescenta

Dates-Saturday (Dec 10) and Sunday (Dec 11) 7a.m. to 4p.m.
