DARYL L. OSBY  
FIRE CHIEF  
FORESTER & FIRE WARDEN

June 5, 2012

TO: EACH SUPERVISOR  
FROM: DARYL L. OSBY, FIRE CHIEF

### SIDEWALK CPR EVENT

This communique serves to notify your Honorable Board that the Department, in collaboration with the Los Angeles County Department of Health Services EMS Agency and the American Heart Association, will be participating in the Sidewalk CPR event on Thursday, June 7, 2012. The purpose of this event is to provide life-saving CPR education and training to residents across Los Angeles County.

Citizen CPR is essential, and as such, the Department is making a meaningful effort to reach out to its communities and teach CPR. In doing so, Department Firefighters and Ocean Lifeguards will engage with their community by demonstrating the life-saving power of citizen CPR and as a result, increase the survivability of cardiac arrest events.

Attached please find a list of times and locations where the Sidewalk CPR event will be held. Maps and directions to the Sidewalk CPR locations can be found at: [www.fire.lacounty.gov](http://www.fire.lacounty.gov)

# LOS ANGELES COUNTY FIRE DEPARTMENT PRESENTS

In coordination with the Los Angeles County Department of Health Services EMS Agency and the American Heart Association

## Learn **SIDEWALK CPR** June 7 all across Los Angeles County!

*Did you know that Sudden Cardiac Arrest is more common than you think?*

*It is NOT the same as a heart attack. A heart attack occurs when the blood supply to part of the heart muscle is blocked. This typically causes chest, arm, or back pain.*

*Sudden Cardiac Arrest is an ELECTRICAL DISORDER OF THE HEART which causes it to stop beating. Without blood flow, the brain stops working and the victim collapses and is unconscious.*

*In 5-10 minutes, you can learn Sidewalk CPR to save a life. It may be someone you love!*

### Special Opportunity:

**Learn Sidewalk CPR  
from the County's  
top firefighter,  
Fire Chief  
Daryl Osby!**

**10 a.m.  
City of Commerce  
Senior Center  
2555 Commerce Way  
Commerce, CA, 90040**

Dear Friends,

Anyone can learn CPR, and everyone should. Can you spare 10 minutes to learn how to save someone's life? Since 80% of cardiac arrests occur at home, the life you save with CPR is likely to be someone you know and love. Bystander CPR (hands only) provided immediately after sudden cardiac arrest can up to triple a victim's chance of survival, yet only 32% of cardiac arrest victims get CPR from a bystander. Many are concerned they might do something wrong, but the only way to make things worse is to do nothing at all.

Your local firefighters and lifeguards will be offering this important and **FREE** training on Thursday, June 7, 2012, at locations throughout Los Angeles County. No appointments are necessary; just show up at any convenient location at any time during the hours listed. Wait times should be minimal, if at all, as the training should only take 5 to 10 minutes of your time. To find a location near you, visit our website at [www.fire.lacounty.gov](http://www.fire.lacounty.gov), or call our Public Info Team at (323) 881-2411.

Sincerely,  
Daryl L. Osby, Fire Chief
