The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AN AGREEMENT WITH
LOS ANGELES UNIFIED SCHOOL DISTRICT
FOR FISCAL YEARS 2009-10 AND 2010-11
(SUPERVISORIAL DISTRICT 2)
(3 VOTES)**

SUBJECT

Request approval of an agreement with Los Angeles Unified School District to provide coordination and consultative mental health services under the Federal Safe Schools-Healthy Students grant.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to sign and execute the attached Agreement with the Los Angeles Unified School District (LAUSD) in the amount of \$123,250 annually for Fiscal Years (FYs) 2009-10 and 2010-11, to provide coordination and consultative mental health services at Washington Preparatory High School.
2. Approve and authorize the Department of Mental Health (DMH) to fill one ordinance position at the level of Clinical Psychologist II to provide coordination and consultative mental health services, in excess of what is provided for in DMH's staffing ordinance, pursuant to Section 6.06.020 of the County Code and subject to allocation by the Chief Executive Office (CEO).
3. Delegate authority to the Director of Mental Health, or his designee, to extend the Agreement with LAUSD for the utilization of the Federal Safe Schools-Healthy Students grant funding to continue providing access to mental health services for students should LAUSD also continue the Agreement, subject to prior review and approval by County Counsel and CEO, or their designees, and notification to your Board within 30 days after the execution of any extension.
4. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute amendments to the Agreement for FYs 2009-10 and 2010-11 provided that: 1) changes are to improve operational efficiencies, add clarity, and/or correct errors and omissions; 2) revisions and new provisions are consistent with the related funding agreement (State laws and regulations, County Ordinance, or Board policy); 3) approval of County Counsel and the CEO, or their designees, is obtained prior to any such Amendment; and 4) the Director of Mental Health notifies your Board of Agreement changes in writing within 30 days after the execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the first and second recommendations will allow DMH to be reimbursed by LAUSD for DMH's provision of a clinical psychologist who will coordinate the navigation of mental health services. The navigator will also provide specialized services to support and assist in the effective access of evidence-based mental health practices for students meeting eligibility for such services within the Washington Preparatory High School Complex. The position is grant funded and will be budgeted and hired as a grant item accordingly.

LAUSD received the Safe Schools-Healthy Students grant from the U.S. Department of Education (DED) for four years, totaling \$2,210,033 annually. LAUSD's grant from the DED was approved by LAUSD's Board on September 22, 2009. LAUSD identified Washington Preparatory High School in a portion of their grant application because, in consultation with the office of the Second Supervisorial District about community needs, LAUSD feels this site presents a good opportunity to benefit from enhanced mental health services navigation at this time.

Approval of the third and fourth recommendations will delegate authority to DMH to extend the Agreement should LAUSD continue the Agreement for two years, and make future changes to the Agreement for necessary changes as requested from oversight agencies, such as LAUSD and DED, contingent upon County Counsel and CEO approval.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County Strategic Plan Goal 2, Children, Family, and Adult Well-Being and Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The Agreement amount of \$123,250 annually is for one full-time equivalent and associated services and supplies for operating costs, fully funded by LAUSD from the Safe Schools-Healthy Students grant awarded to them by DED. Funding for FY 2009-10 will be allocated in the mid-year budget adjustment for DMH and funding for FY 2010-11 will be included in the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed Agreement with LAUSD will be effective from November 4, 2009, through November 3, 2011. The Agreement contains language to specifically allow LAUSD the right to examine and audit all of the books, records, documents, and other DMH evidence sufficient to properly reflect all costs claimed to have been incurred or anticipated to be incurred in performing the Agreement.

The Safe Schools-Healthy Students grant supports drug abuse and violence prevention activities among school age youth. The grant will help communities design and implement comprehensive education, mental health, social services, law enforcement and juvenile justice services for youth to promote healthy childhood development, foster resilience, and prevent youth violence.

LAUSD will fund a full-time mental health navigator at Washington Preparatory High School, at the level of Clinical Psychologist II, to assess student needs and direct students and families to appropriate services, and to participate with LAUSD in assessing the performance of the program. The mental health navigator will provide consultation in conjunction with LAUSD, the Department of Probation and law enforcement agencies. These public entities will participate in comprehensive case planning designed to provide students, the school and their families with a network of effective services, supports and activities that help students develop the skills and emotional resilience necessary to promote positive mental health, engage in pro-social behavior, and prevent violent behavior and drug use.

The Agreement has been approved as to form by County Counsel. The proposed actions have been approved by the CEO and County Counsel.

CONTRACTING PROCESS

LAUSD, in order to fulfill its obligations under the DED grant, desires to engage DMH to provide a mental health navigator to provide case management, assessments, and mental health consultative services at Washington Preparatory High School.

The grant was awarded to LAUSD for four years and the funding will end on June 30, 2013. The current Agreement is for two years, and it is expected that the LAUSD Superintendent will continue the Agreement for two additional years.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval will result in augmentation of mental health services to students in the LAUSD Washington Preparatory High School Complex. DMH's participation in the Safe Schools-Healthy Students grant will allow DMH to be an integral participant in this multi-agency partnership in curbing violence and drug use in schools.

Should a conflict of interest issue arise, Contractor agrees to fully cooperate in any inquiry and to provide the District with all documents or other information reasonably necessary to enable the District to determine whether or not a conflict of interest existed or exists.

After making reasonable requests, the District's rights under this Section shall also include access to interviewing the Contractor's employees.

Any information provided on machine-readable media shall be provided in a format accessible and readable by the District. The Contractor's failure to provide records or access within the time requested shall preclude Contractor from receiving any payment due under the terms of this Agreement until such evidence/documents are provided to the District. Prior to any disclosure of such matter, whether as allowed by law or otherwise, Contractor shall inform the District, in writing, of the nature and reasons for such disclosure. Contractor shall not use any communications or information obtained from the District for any purpose other than the performance of this Agreement, without the District's written prior consent.

10.2 At the conclusion of the performance of this Agreement, Contractor shall return to District all written materials constituting or incorporating any communications or information obtained from the District. Upon the District's specific approval, Contractor may retain copies of such materials, subject to the requirements of Subsection 10.1.

10.3 Contractor may disclose to any subcontractor, or District approved third parties, any information otherwise subject to Subsection 10.1 that is reasonably required for the performance of the subcontractor's work. Prior to any disclosure, Contractor shall obtain the subcontractor's written agreement to the requirements of Subsection 10.1 and shall provide a copy of such agreement to the District.

10.4 Contractor represents that it shall not publish or cause to be disseminated through any press release, public statement, or marketing or selling effort any information, which relates to this Agreement without the prior written approval of the District.

In addition, the Contractor agrees to require like compliance by all subcontractors employed on the work.

13. TERMINATION FOR CONVENIENCE

- 13.1 The District may, by written notice to the Contractor, terminate this Agreement in whole or in part at any time, for the District's convenience. Upon receipt of such notice, the Contractor shall:

- i. immediately discontinue all services affected (unless the notice directs otherwise) and

- 13.3 The Contractor shall not be entitled to anticipatory or consequential damages as a result of any termination under this Section. Payment to the Contractor in accordance with this Section shall constitute the Contractor's exclusive remedy for any termination hereunder. In such case, the Contractor shall be liable to the District for any reasonable costs or damages occasioned to the District thereby. The expense of completing the services, or any other costs

or damages otherwise resulting from the failure of the Contractor to fulfill its obligations, will be charged to the Contractor and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the Contractor. If such costs and expenses are in excess of the sum, which otherwise would have been payable to the Contractor, then the Contractor shall promptly pay the amount of such excess to the District upon notice of the excess so due.

- 14.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the Contractor has not so failed, the termination shall be deemed to have been effected for the convenience of the District. In such event, adjustment shall be made as provided in the prior Section, Termination for Convenience.
- 14.4 The Contractor shall not be entitled to anticipatory or consequential damages as a result of any termination under this Section. Payment to the Contractor in accordance with this Section shall constitute the Contractor's exclusive remedy for any termination hereunder. The rights and remedies of the District provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.
15. ASSIGNMENTS Neither the performance of this Agreement, nor any part thereof, may be assigned by either party without the prior written consent and approval of the other.
16. GOVERNING LAW The validity, interpretation and performance of this Agreement shall be determined according to the laws of the State of California.

18. SEVERABILITY If any section, provision or portion of this Agreement is held to be invalid, illegal or void by a court of proper jurisdiction, the remainder of this Agreement shall nevertheless subsist and continue in full force and effect.
19. CERTIFICATION REGARDING DEBARMENT, SUSPENSION OR INELIGIBILITY FOR AWARD

The following certification is applicable only to contracts for \$25,000 or more, which are funded by Federal funds:
