

MOTION BY SUPERVISOR DON KNABE

January 12, 2016

Amendment to Item 8

While I understand the community input that will be provided by the oversight commission I also greatly value the judgement and opinion of our criminal justice professionals.

I believe recommendations of candidates to the independent consultant by our District Attorney, Public Defender, Alternate Public Defender, and Presiding Judge would help to ensure that a wide spectrum of community backgrounds is represented on the Civilian Oversight Commission.

I, THEREFORE MOVE that,

1. Direct that the Public Defender, Alternate Public Defender, District Attorney, and Presiding Judge each make one recommendation to the independent consultant.
